At the opening of the formal meeting of the Board, President Bevis recalled to the attention of the members that on July 25, Dr. Julius F. Stone, Chairman Emeritus of the Board, had passed away at his home in Santa Monica, California. Dr. Stone was a member of this Board from May 13, 1909 to March 21, 1917, and again from March 17, 1925 to July 12, 1937—a total of twenty years and two months. President Bevis voiced his own feeling of great personal loss which was shared by every member of the Board.

 \$64.50 from the Edmont Manufacturing Company for General Research in Physiological Chemistry—Rotary 7261;
 \$434.15 for the Albert D. Frost Memorial Loan Fund, established by the Class of March, 1946, College of Medicine, to benefit needy students enrolled in that College. This fund to be administered under the following conditions:

- (1) This money is to be loaned in amounts not exceeding one hundred dollars (\$100.00) to any one applicant;
- (2) Loans are payable within six months after graduation without interest. After six months, interest is to be charged at the rate of 5 per cent per annum;
- (3) Loans are to be made only upon recommendation of the Junior Dean, Secretary, and Assistant to the Dean of the College of Medicine (Dr. George H. Ruggy, Dr. R. C. Baker and Mrs. Margaret R. Colburn);

- (4) It was emphasized that the most important factor in determining recipients of this fund is to be the need of the applicant rather than class standing or any other qualification;
- (5) Any changes in the rules as set forth above must have the approval of a committee of the Class of March, 1946, consisting of Dr. Charles R. McClave, Dr. Jerry I. Newman and Dr. Edwin J. Clinger.

That the following research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following research projects be reported to the Board of Trustees for information and record:

- Chicago Quartermaster Depot, Chicago, Illinois—Investigation of Chemical Changes in Milk Powder (to be known as Chicago Quartermaster Depot Research Project No. 279—Dairy Technology);
- Refrigeration Research Foundation, Incorporated, Berkeley 4, California—Investigation of Frozen Eggs—Their Handling, Freezing, and Refrigerated Storage at Different Temperatures (to be known as the Refrigeration Research Foundation Research Project No. 223—Poultry Husbandry);

The Business Manager presented the following report and recommendation:

In accordance with the action taken by the Board of Trustees on May 5, 1947, the Business Manager has negotiated with the Sisters of the Poor of St. Francis in order to determine the budgetary allotment for the use of 123 clinical beds at St. Francis Hospital.

Upon recommendation of the Dean of the College of Medicine and concurred in by the University Administration, it is recommended that the budgetary allotment for the fiscal year July 1, 1947, to June 30, 1948, shall be as follows:

(1) Salaries of residents, internes and assistants appointed by the College of Medicine amounting to approximately.....	\$ 9,400.00
(2) Allotment for surgical and laboratory supplies through the Laboratory Supply Store.....	12,000.00
(3) Cash payment to St. Francis Hospital.....	30,000.00
TOTAL.....	\$51,400.00

It is further recommended that the Business Manager, with the advice of the Attorney General, be authorized and directed to sign a contract with the Sisters of the Poor of St. Francis which will incorporate the above schedule payments.

On motion of Mr. Pomerene, seconded by Mr. Kettering, the above report and recommendations were approved by unanimous vote.

The Business Manager reported that the University Cabinet has approved the following extras to contracts and recommends that the same be approved:

- (1) *Fayette Electric Company*—\$48.00
Electric Service Lines
Original contract, \$9,954.50—June 23, 1947
Veterans Emergency Facility on Site 7B
- (2) *Fayette Electric Company*—\$376.16
Electric Service Lines
Original contract, \$9,954.50—June 23, 1947
Veterans Emergency Facility on Site 7B
- (3) *Lieb-Jackson Company*—\$262.00
Water Main
Original contract, \$18,611.00—April 24, 1947
Veterans Educational Facilities
- (4) *Darin & Armstrong, Inc.*—\$275.00
Concrete Pipe
Original contract, \$15,808.00—April 24, 1947
Veterans Emergency Housing
- (5) *Columbus Heating and Ventilating Company*—\$273.00
Range Hood
Original contract, \$3,371.00—October 19, 1946
Ventilating, Stadium Dormitory Expansion
- (6) *Darin & Armstrong, Inc.*—\$2,611.12
Steel Sheet Piling
Original contract, \$36,978.00—April 30, 1947
Removal of Old Boiler and Remodelling of Concrete
Floors for New No. 7 Boiler
- (7) *Gustav Hirsch Organization*—\$3,850.26
Transformers
Original contract, \$44,317.00—April 24, 1947
Electrical Distribution Equipment, Sub Station C

Upon motion of Mr. Lincoln, seconded by Mr. Power, the extras as indicated above were approved by unanimous vote.

* * * * *

The Business Manager reported that the University Cabinet has approved a credit on the contract with Haig M. Boyajohn and Associates, Remodeling Robinson Laboratory and Addition to Industrial Engineering Building, in the amount of \$311.00, for substitution of floor decking.

On motion of Mr. Lincoln, seconded by Mr. Power, the credit as indicated was approved by unanimous vote.

The Business Manager reported that the University Cabinet recommends extension of time on the following contracts to the dates indicated:

- (1) *J. T. Edwards*: from July 15, 1947, to September 15, 1947
Remodeling of Structural Steel for New No. 7 Boiler
- (2) *Gustav Hirsch Organization*: from August 15 to October 31, 1947
Electrical Distribution System, Sub Station B
- (3) *Max J. Zeller, Inc.*: from August 15 to September 15, 1947
Paved Parking Lots
- (4) *George Sheaf & Company*: from March 1 to July 1, 1947
Roads, Walks, Northeast Cafeteria

On motion of Mr. Kettering, seconded by Mr. Pomerene, these extensions of time were approved by unanimous vote.

* * * * *

The Business Manager reported for the record that the Cabinet has recommended to the Director of Public Works award of the following contracts:

- (1) General Contract, Remodeling Robinson Laboratory and Addition to Industrial Engineering Building
To: Haig M. Boyajohn and Associates, \$116,500.00
- (2) Heating Contract, Remodeling Robinson Laboratory and Addition to Industrial Engineering Building
To: Columbus Heating & Ventilating Company, \$8,278
- (3) Interior Painting and Patch Plastering, Commerce Building
To: Industrial Maintenance Corporation, \$10,800

The Business Manager presented plans and specifications for the following improvements which have been approved by the University Cabinet and are now submitted to the Board of Trustees for its approval:

- (1) Site Improvement, Emergency Housing, Projects II and III
Estimated cost \$40,000—G-32 River Road Housing
- (2) Fire Escapes for four buildings: Hayes Hall, Lord Hall, Page Hall, Townshend Hall
Estimated cost, \$21,560—F-9 Other
- (3) Alterations to Rooms 215, 304, 311, Pomerene Hall
Estimated cost, \$10,000—F-1 Building Repair
- (4) Remodeling Hayes Hall
Estimated cost, \$12,000—F-9 Other
- (5) Demonstration and Workroom Addition, Southeast Stadium Tower
Estimated cost, \$10,490—Rotary 8001
- (6) Remodeling Kinsman Hall
Estimated cost, \$7,500
- (7) Miscellaneous Steel and Iron for New No. 7 Boiler
Estimated cost, \$13,050

On motion of Mr. Power, seconded by Mr. Pomerene, these plans and specifications were now approved by the Board of Trustees and the Business Manager was directed to present the same to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to

receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimates of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

Mr. Richard C. Larkins, Director of Athletics and Professor and Chairman of Physical Education, now appeared upon request of the Board and made a comprehensive report covering the present activities and problems and future plans connected with the Departments of Physical Education for Men and for Women, Intramural Athletics and Inter-collegiate Athletics.

* * * * *

Complying with the request of the Board at the June 30, 1947, meeting, the Business Manager now presented to each member a report showing what needs to be done to construct the proposed Medical Center including 600 beds at a total cost not to exceed \$8,000,000.00.

The revised program was developed by the Architects working

with the faculties of the Colleges of Medicine and Dentistry and the University administration.

The revised design of the Medical Center is based on available funds as follows:

- a. Funds available—\$8,000,000.
- b. Agreed division of funds:
 - (1) For a complete 600 bed teaching hospital (new)—84% or \$6,720,000.
 - (2) For a College of Dentistry (new)—16% or \$1,280,000.
 - (3) For the new research and clinical facilities—0%.

The Business Manager called attention to the elements of the program which are as follows:

- a. To plan and construct a complete 600 Bed Teaching Hospital in a new building consisting of a ground floor and eleven upper floors, based on assumed gross unit costs for hospital construction of approximately \$1.75 per cu. ft. and \$21.00 per sq. ft.
- b. To plan the complete new Dental facilities in a building consisting of a ground floor, three upper floors and a fourth floor penthouse and to construct in the first phase, the complete clinical elements and classrooms leaving the ground floor unfinished and omitting the fourth floor, based on the assumed gross unit costs for clinic and laboratory construction of approximately \$1.30 per cu. ft. and \$16.00 per sq. ft.
- c. In each case to consider the effects of further increases in cost by providing alternate schemes which will:
 - (1) In the case of the Hospital provide a complete Teaching Hospital of 525 beds in a 10 story building with 75 beds remaining in Starling-Loving.
 - (2) In the case of the Dental Building provide complete clinical elements in a shortened building of the same height which can be completed in a second phase.

Following the discussion of the proposals, Mr. Kettering moved the approval of the proposed plan as presented and directed the Administration to proceed as rapidly as possible in the completion of the plans and specifications in accordance therewith. This motion was seconded by Mr. Power and upon roll call was unanimously approved.

The Business Manager reported that the 97th General Assembly appropriated \$200,000 for the purchase of land and recommended:

- (1) That request be made of the State Controlling Board for the release of the appropriation of \$200,000 for land;
- (2) That approximately \$100,000 of this sum be allocated for the purchase of additional farm lands and approximately \$100,000 be allocated for the purchase of city property immediately north of the campus in the general area bounded by Woodruff, Tuttle, Lane and Neil Avenues;
- (3) That Mr. Paul Kohr, realtor, be commissioned to

secure options on said lands and to make recommendations for such purchases as seem wise;

(4) That such recommendations for purchase be properly evaluated by the University Cabinet and presented to the Board of Trustees at succeeding meetings for appropriate action.

On motion of Mr. Pomerene, seconded by Mr. Power, the above recommendations were approved by unanimous vote.

* * * * *

The Business Manager now reported to the Board on the status of appropriations, plans and specifications for the following improvements and made recommendations as indicated:

Recitation Building

The additional appropriation for the Recitation (Music) Building of \$315,000 by the 97th General Assembly brought the total amount available for this building to \$840,000. The plans and specifications for the Recitation Building are completed and have been approved by this Board. It is, therefore, recommended that the State Board of Control be requested to release the appropriation for this building on October 1, 1947.

On motion of Mr. Kettering, seconded by Mr. Power, the above recommendation was approved by unanimous vote and the Business Manager was directed to present the plans and specifications to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimates, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

Central Service Building

The additional appropriation for the Central Service Building of \$390,000 brought the total amount available for this building to \$1,040,000. The plans and specifications for the Service Building are practically completed and will be presented to the Board of Trustees for its approval at a later meeting. It is therefore recommended that the State Board of Control be requested to release the appropriation for this building on October 1, 1947.

On motion of General Dargusch, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

Optometry Building

The building of the Central Service Building will present the opportunity to remove the existing garage, laundry and service buildings from their location in the heart of the campus. In part of the space thus cleared and as a part of the development of the Pharmacy-Science quadrangle, the Optometry Building could be located. This would be a suitable and acceptable location for this building. However, construction would necessarily await completion of the new Central Service Building. Planning will be delayed until the last part of the biennium. It is recommended that the Optometry Build-

ing be assigned to the general location indicated above. The exact position in the quadrangle can be determined when the plans are being developed.

On motion of Mr. Kettering, seconded by General Dargusch, the above recommendation was approved by unanimous vote.

Incinerator

An appropriation of \$76,000 was made by the 97th General Assembly for a much needed incinerator. It is recommended:

(a) That the State Board of Control be requested to release the appropriation for the incinerator on October 1, 1947;

(b) That outside engineering service be secured to design the building to house the incinerator, such engineers to be recommended by and to report to the University Cabinet through the University Architect and the Director of Physical Plant;

(c) That the incinerator be located on the west bank of the Olentangy River north of the present research building, also located in this general area. The exact site to be determined after survey by the University Architect and the Director of Physical Plant;

(d) That the plans and specifications when completed be presented to the Board of Trustees for its approval.

On motion of Mr. Kettering, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

Power Plant Equipment

The 97th General Assembly appropriated \$750,000 for power plant equipment to bring the power plant more nearly to the position where it can meet the light, heat, and power requirements of the expanding physical plant. The need is urgent and such equipment requires a considerable period to construct and install. It is therefore recommended:

(a) That the State Board of Control be requested to release the appropriation for the Power Plant equipment on October 1, 1947;

(b) That outside engineering service be secured to assist in the design and installation of the Power Plant equipment and that such professional engineers be secured on the recommendation of the Director of Physical Plant and report through him to the University Cabinet;

(c) That plans and specifications for said Power Plant Equipment be presented to the Board of Trustees for its approval.

On motion of Mr. Kettering, seconded by Mr. Pomerene, the above recommendations were approved by unanimous vote.

Roads, Walks, Tunnels, Utility Lines

The appropriation made during the last session of the General Assembly for Roads, Walks, Tunnels, and Utility Lines amounted to \$250,000. The development of these serv-

ices should either precede, or at least be accomplished concurrently with the construction of the new parts of the physical plant. Certainly, these services are indispensable adjuncts of the expanded plant. It is, therefore, recommended:

(a) That the State Board of Control be requested to release the appropriation for Roads, Walks, Tunnels, and Utility Lines on October 1, 1947;

(b) That the University Cabinet present plans for such improvements when completed to the Board of Trustees for its approval.

On motion of Mr. Kettering, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

Addition to Commerce Building

The 97th General Assembly appropriated \$1,085,000 for an addition to the Commerce Building. The University Architect has indicated that he will need assistance in drawing the plans for this addition and has suggested that outside architects be employed for this purpose. It is, therefore, recommended that outside architects be employed to draw the plans for the addition to the Commerce Building upon the nomination of the University Architect. Such outside architects would report to the Cabinet through the University Architect. The completion of the plans for the addition to the Commerce Building will necessarily be delayed until the second year of the biennium.

On motion of Mr. Kettering, seconded by Mr. Pomerene, the above recommendation was approved by unanimous vote.

Agricultural Laboratories

In addition to the original appropriation of \$600,000, the 97th General Assembly appropriated an additional \$360,000 for Agricultural Laboratories, making a total of \$960,000. The final development of the plans for these laboratories will depend upon the decision of the Board of Trustees concerning the location of the building comprising the College of Agriculture. The Agricultural Laboratories Building was originally designed to be placed on Neil Avenue surrounding Rehearsal Hall. If the Agricultural Laboratories Building is to be placed on a site west of the Olentangy River, the plans, now drawn, will have to be revised.

It is recommended that the Agricultural Laboratories be located on a site west of the Olentangy River. This is required for the orderly development of the campus which would, among other things, provide a new site for certain of the College of Agriculture buildings, preferably west of the Olentangy. In doing so, greater flexibility will be provided on the main campus for the location of buildings in a more logical, less crowded manner.

On motion of General Dargusch, seconded by Mr. Thompson, the recommendation as to site was approved by unanimous vote.

Student Union

(1) The necessary preliminary planning phases for the new Student Union will be under way with the return of the

students at the beginning of the Autumn Quarter. The selection and appointment of architects for the drawing of plans for the Union must await the determination of what the Union is to contain. Three months is expected to be needed for this purpose.

(2) The Cabinet recommends to the Board of Trustees the selection of the site bounded by High Street on the east, the Archeological Museum on the north, 12th Avenue on the south and College Road on the west as a site for the new Union. This site fronts the Hollow, and will have the same advantage of the sweep of beautiful landscaping and developed acreage before it as the Library has in the Oval. The site also is close to the present dormitories, rooming houses, fraternity and sorority houses, and will be on a main artery of transportation. The new Union will need a large site and it is the earnest belief of the Cabinet that the suggested site is the most logical for the location of the new Union Building.

On motion of Mr. Power, seconded by Mr. Kettering, the Board, by unanimous vote, agreed to the site for the new Union Building as recommended by the Cabinet.

President Bevis read the following paragraphs from a letter written by Dean Emeritus Alpheus W. Smith:

"To me it seems imperative that the Ohio State University should memorialize and perpetuate Mr. Stone's fearless and sagacious leadership, his spirit of high adventure, his understanding and creative mind, his general support of fundamental research and his record of achievement in industrial organization and management. Certainly such a life and career cannot be memorialized in buildings made of brick and mortar or in statues made of marble or bronze. He was much too dynamic, too vital, and too creative for static and inert memorials. Some type of living memorial perpetuating his spirit, purpose and vital interests in scientific research is clearly indicated. A research professorship would not only remind us of his scientific interests and his desire to penetrate the unknown, it would also provide guidance and stimulation for young men and women endowed with inquiring minds and scientific curiosity. They could carry forward the torch the master has relinquished.

"I would like to recommend that the Board of Trustees create The Julius F. Stone Research Professorship in Physics, with special reference to nuclear physics, the fundamental relationships between matter and energy, and the biological and medical applications of radiations."

President Bevis recommended to the Board that this proposal be approved. Upon motion of Mr. Power, seconded by Mr. Kettering, the Board, by unanimous vote, approved this recommendation.

* * * * *

General Dargusch advised the Board that the Memorandum of Transfer and Conveyance executed by Mr. Julius F. Stone on September 7, 1929, contained the following provision: "that upon my death all rights in and to the Stone Cottage and the furnishings therein shall vest in the Board of Trustees of the Ohio State Univer-

sity, and that thereafter the said cottage shall be for the sole use of said Board of Trustees and for their comfort when they may be present on said island and be subject to their control."

General Dargusch then moved that the administration of Stone Cottage be now placed under the Secretary of the Board. This motion was seconded by Mr. Power and approved by unanimous vote.

Upon motion of Mr. Thompson, seconded by Mr. Kettering, Mr. Donald C. Power was elected to represent the Board of Trustees at the 25th annual meeting of the National Association of Governing Boards, which will be held at Ann Arbor, Michigan, October 2, 3, and 4, 1947.

* * * * *

Upon motion of Mr. Kettering, seconded by Mr. Thompson, the Board, by unanimous vote, adopted the following resolution and directed that a copy thereof be furnished to each member of Mr. Stone's family.

The Board of Trustees at this meeting, held among the surroundings for which he was so largely responsible, expresses its high appreciation of the life and works of Julius F. Stone, Chairman Emeritus of this Board, whose death occurred July 25, 1947.

He combined uniquely the talents of a highly successful man of affairs and a versatile student of nature with a ceaseless thirst for scientific knowledge.

He was a creative adviser and generous patron of fundamental scientific research.

He lived courageously on the frontier of knowledge, ever ready to devote his energies and his financial resources to its advancement.

He especially worked toward the goal to make the Ohio State University one of the world's greatest centers for research. There was no place for mediocrity in his plans and purposes. With great courage and great energy he urged the University to push forward and assume a place of national and international leadership.

The Board joins with his family, his associates, and his myriad of friends in grief and a deep sense of loss.

The President now reported to the Board the death of Professor Victor A. Ketcham and, in accordance with the recommendation of the Board of Trustees, has furnished to the family of the deceased a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death of Victor A. Ketcham, Professor of Speech, on July 20, 1947. Professor Ketcham was connected with The Ohio State University most of the time for a period of more than forty years, since he first graduated here in 1907 and, except for a short tour of duty at the University of Maine and for a brief period as head of the Public Speaking Division of the Department of English at the University of Illinois, has been on the staff of this University continuously. During this long period he contributed greatly to the building of our Department of

Speech as Chairman and as teacher and writer. He was very active as a speaker, and along with other types of service spent considerable time in delivering his special series of lectures to the personnel heads of large corporations such as General Electric and Radio Corporation of America. He was always active in the personnel organizations of his chosen field and will be missed both by his colleagues on the campus, and by his associates in the field of public speaking all over the country.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the Minutes of the Board.

Thereupon the Board adjourned to meet October 8, 1947, at 10 A. M. at Wooster, Ohio.

Attest:

(Signed) CARL E. STEEB,
Secretary.

The Business Manager reported that the Cabinet recommends the retention of Samuel R. Lewis & Associates of Chicago as consulting engineers to prepare drawings and specifications for the heating, plumbing and electric divisions required for the construction of the new Physics Building and the Addition to the Main Library, for a fee of 4.75% of the cost of the portions of the work designed by them. Service for this fee includes periodic supervision assistance to the University Architect and all necessary travel required in the discharge of the service.

Upon motion of Mr. Power, seconded by General Dargusch, the above recommendation was approved by unanimous vote.

* * * * *

The Business Manager reported that the Cabinet recommends the employment of Sargent & Lundy, Chicago, Illinois, to prepare drawings, specifications and estimate of cost for the modernization and rehabilitation of the Power Plant equipment. House Bill 496 carries an appropriation of \$750,000 for this purpose.

The fee for this service is to be 7% on the final cost of equipment and installations for which they have furnished drawings and specifications.

Upon motion of Mr. Pomerene, seconded by Mr. Lincoln, the Board, by unanimous vote, approved the above recommendation.

The Business Manager presented plans, specifications and estimate of cost for the following capital improvements which have been approved by the University Cabinet and are now submitted to the Board of Trustees for its approval:

1. Piping for New No. 7 Boiler in Power Plant
Estimated cost, \$31,000.00;
To be paid from G-31 Power Plant Equipment, H. B. 496.
2. Interior Painting and Patch Plastering, Page Hall and Military Science Building
Estimated cost, \$17,000.00;
To be paid from F-1 appropriations, H. B. 495.
3. Central Service Building
Estimated cost, \$1,040,000.00;
To be paid from G-2 Buildings, H. B. 496.

The Business Manager recommended that the said documents be approved and that the Secretary be authorized and directed to sign the same for and on behalf of the Board of Trustees, and that the Business Manager be directed to present the same to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimates of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

Upon motion of Mr. Lincoln, seconded by Mr. Power, the above recommendations of the Business Manager were approved by unanimous vote.

The Business Manager presented the following statement and recommendation:

The Departments of Public Health and Public Welfare of the State of Ohio are proceeding with plans for the construction of the Receiving and Tuberculosis Hospitals in the Medical Center, appropriations for this purpose having been made by the 97th General Assembly. Skidmore, Owings & Merrill, architects for the Ohio State University Main Hospital in the Medical Center, have also been retained by each of the above State Departments to develop the plans for these additional hospitals in the Health Center. Thus, the entire Medical Center is being planned by a single architectural firm. This should be conducive of the very best results.

In the development of the Receiving and Tuberculosis Hospitals, it is planned to use certain surgical, X-ray, laboratory, morgue and autopsy, physio-therapy, feeding, dental and similar services contained in the Ohio State University Main Hospital in the Medical Center. It is the contention of Skidmore, Owings & Merrill that services of this character

which are of sufficient size to serve the main 600 bed hospital can be extended to cover the proposed additional bed capacity in the new hospitals (approximately 350). Therefore, since the main hospital will have made the investment in the services and facilities in question, it is planned to avoid duplication of such services and facilities in building the Receiving and Tuberculosis Hospitals. Thus, the maximum portion of the appropriated amounts will be used in producing bed capacity.

Skidmore, Owings & Merrill and the Directors of Health and Welfare of the State of Ohio request that the Board of Trustees of the Ohio State University assent to the proposed use of ancillary services included in the Ohio State University Main Hospital by the Receiving and Tuberculosis Hospitals. If such ancillary services are so used, they will be omitted entirely from the Receiving and Tuberculosis Hospitals. The Departments of Public Health and Public Welfare are willing to pay for the cost of all services rendered them as a result of this plan and for heat, water, light, gas, steam, etc., to be furnished by the Ohio State University through its existing campus services and lines.

It is recommended that the Board of Trustees approve the plan whereby the Ohio State University Main Hospital in the Medical Center will furnish ancillary services to the Receiving and Tuberculosis Hospitals to be located in the Medical Center. It is understood that this approval will be taken by the architects, Skidmore, Owings & Merrill, and the Directors of Health and Welfare as assent to the general plan not to duplicate in the Receiving and Tuberculosis Hospitals certain facilities which are planned for the Ohio State University Main Hospital.

It is further recommended that, in pursuance of this approval, the President of the University be authorized to enter into agreements with the Director of Health and the Director of Welfare, covering the scope and character of services and facilities to be furnished by the Ohio State University to these departments for their hospitals, and providing for the reimbursement by these departments for the cost of the services and the use of the facilities. Copies of these executed agreements are to be presented to the Board of Trustees for the record.

Upon motion of Mr. Pomerene, seconded by General Dargusch, the recommendation of the Business Manager was approved by unanimous vote.

 Air Materiel Command, Wright Field, Dayton, Ohio—Investigation of Patterns and Radiation Characteristics of Antennas (to be known as the Air Materiel Command, Wright Field Research Project No. 326—Electrical Engineering).

The above five contracts for research in cooperation with Government and Industry represent a gross income of \$52,569.50.

On motion of Mr. Lincoln, seconded by Mr. Power, the above recommendations of the President were approved by unanimous vote.

The President reported to the Board the findings and recommendations contained in the report of the Committee on Institute for Research in Vision and recommended on the basis of this report that there be established by the Board of Trustees The Ohio State University Institute for Research in Vision.

The President recommended that the Institute be organized to have

- (1) A Director nominated by the President of the University and appointed by the Board of Trustees upon the recommendation of the Dean of the Graduate School.
- (2) An Executive Committee consisting of the Director of the Institute who shall also serve as Chairman of the Executive Committee, the Dean of the Graduate School, and three additional members appointed by the President upon the recommendation of the Dean of the Graduate School. The Committee should, so far as possible, include representatives of each of the following aspects of the field of vision: biological, medical, physical, and social.

The functions of the Executive Committee shall include:

- a. The conduct of the routine business of the Institute;
 - b. The seeking of funds in cooperation with the Development Fund of the University and the distribution of such funds to support research in vision;
 - c. The organization of cooperative groups for research in the several fields
- (3) A Council consisting of one representative from each area on the campus actively engaged in research in vision. For the present, the Council shall contain one rep-

representative from each of the following areas: Education, Electrical Engineering, Fine Arts, Ophthalmology, Optometry, Physics, Psychology, and Zoology. The members of the Council shall be appointed by the Dean of the Graduate School.

Matters of policy affecting the Institute shall be determined by the Council, it being understood, however, that in all respects the Institute shall be subject to the appropriate rules, regulations, and policies of the University, and that the Director shall be responsible through the President to the Board of Trustees.

It is further contemplated that financial support shall be partly provided in the University budget and that funds from external sources shall also be sought to carry on its work. During the period of organization and initial development, funds shall be allocated from the budget of the Graduate School.

On motion of General Dargusch, seconded by Mr. Power, the above recommendation of the President was approved by unanimous vote.

The President reported to the Board certain findings and recommendations of the committee of the Faculty Council appointed to study the University Retirement Plan. Parts of this report, he thought, should be studied further before recommending action on them, but he desired to call attention to the portion of this report recommending that, in addition to the present two choices of an insurance carrier available to staff members, there be authorized a third, to-wit, contributions to the State Teachers' Retirement System.

The committee's report contains the following paragraph:

"As is well known, the University Retirement Program now in effect contains the commercial element of "loading" that goes with any annuity program carried by an insurance carrier. Your committee has made a thorough study of the possibility of shifting over from the present University Retirement Program to this supplemental program under the State Teachers' Retirement System and has arrived at the conclusion that such a shift is uneconomical for those who have been members of the University Program for several years. This is true because most of the "loading" costs are taken out during the early years of an insurance program. However, for new members of the faculty, who join from now on and for those who have joined during the past year or two, there is a very distinct advantage in having the State Teachers' Retirement System carry their entire annuity program instead of dividing it with the insurance carriers. Therefore, your committee recommends that the Board of Trustees of The Ohio State University be requested to add to the present two choices of an insurance carrier a third in the nature of contributions to the State Teachers' Retirement System. Such choice should be made available to all who can gain by using it."

The President recommended, therefore, that to the existing choices of insurance carrier now available to faculty members, there

be added the option of contributions to the State Teachers' Retirement System.

On motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote approved the above recommendation and directed that the details be worked out by the appropriate University authorities.

The President recommended that the sum of \$55,000 be transferred, as of March 31, 1948, from Athletic funds, Rotary 8001, to a special University Treasurer account, to be used for the purpose of paying supplementary benefits, for the year 1948-1949, to members of the staff who have been retired with the title of Emeritus.

The foregoing transfer is made upon the understanding that an amount equivalent to the sum of \$55,000 be expended out of other funds for purposes heretofore paid out of Athletic funds.

On motion of General Dargusch, seconded by Mr. Pomerene, the Board by unanimous vote approved the above recommendation.

The President presented the following recommendations from Dean Charles A. Doan of the College of Medicine:

(1) Under Senate Bill 191, known as the Hill-Burton Hospital Bill, grants-in-aid for surveying hospital and public health facilities and for planning additional facilities were authorized and at the special session of the Ohio Legislature called by Governor Lausche in August, 1947, funds were appropriated to carry out the hospital survey of the State Department of Health. It now appears that communications from the State Director of Health indicate the possibility of qualifying for financial assistance under the Hill-Burton Hospital Act. The construction now in contemplation in our Medical Center program may be available as a matching fund to qualify us for assistance under the Hill-Burton Bill. The Dean of the College of Medicine, therefore, recommends that authority be granted to the University administration to enter into negotiations for such an allotment.

(2) The National Cancer Institute, under the United States Public Health Service, is considering requests for grants-in-aid for the construction of cancer research units in institutions where basic facilities are already provided and available for comprehensive programs of cancer research. The Dean of the College of Medicine reports the receipt of instructions in blank forms for submitting an application for assistance from the United States Public Health Service, and strongly recommends that an application be authorized. It is his opinion that the funds already being expended for the State of Ohio for the construction of the Medical Center may be used as matching funds.

(3) The Veterans Administration, under Generals Bradley and Hawley, have established the policy of providing new hospitals for the medical care of the veteran only in connection with large medical centers and medical teaching institutions. At the present time, 54 of the four-year medical schools and one two-year school in this country are associated with

this program. Western Reserve University and the University of Cincinnati have already qualified for assistance. The development of our Medical Center to its present stage now appears to qualify The Ohio State University for participation. The Dean recommends that the administrative officers of the University be authorized to enter into negotiations looking to the establishment on our campus, in connection with the Medical Center, of hospital facilities sufficient to serve the Columbus area of the State of Ohio.

Upon motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote authorized the President to explore the three proposals submitted by Dean Doan and to report back to the Board of Trustees with recommendations.

The Business Manager advised the Board that the architects for the proposed Medical Center Unit have revised the plans, specifications, and estimates of cost for said Unit, in accordance with the action taken by this Board at its meeting held September 5, 1947.

The Business Manager now recommended:

- (1) That said revised plans, specifications, and estimates of be approved by this Board;
- (2) That the Secretary, for and on behalf of the Board, be authorized and directed to sign such revised documents as may be necessary;
- (3) That the Business Manager be directed to present the said documents to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimates of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

Upon motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote approved the above recommendations of the Business Manager.

The Business Manager presented specifications, estimate of cost, bill of materials, and form of proposal for Interior Painting and Patch Plastering of Townshend Hall, Plumb Hall, and Arps Hall. The estimated cost is \$20,200, payable from F-1 appropriations.

The Business Manager stated that the Cabinet has approved these documents and now presents them to the Board for its approval.

Upon motion of Mr. Pomerene, seconded by Mr. Power, the Board by unanimous vote approved these documents and directed the Secretary, for and on behalf of the Board, to sign them. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

The Business Manager reported to the Board the progress being made in the matter of land purchases, and presented maps showing the different parcels under consideration.

After careful consideration of the plans and the report as submitted by the Business Manager, the Board upon motion of Mr. Pomerene, seconded by Mr. Power, by unanimous vote authorized the purchase of the so-called Salzgeber tract at a price not to exceed \$25,000.

* * * * *

The Business Manager explained to the Board the necessity of having some plan or authority by which satisfactory options obtained for desired parcels of land may be immediately approved and not held up pending the next meeting of the Board.

Upon motion of Mr. Thompson, seconded by Mr. Pomerene, the Board by unanimous vote delegated the Columbus members of the Board and Mr. Pomerene as such a committee to work with the administration, with full authority to approve satisfactory options or purchases as they may develop, such actions to be reported to the Board for record at its next meeting.

The President now reported to the Board the deaths of the following staff members and, in accordance with the recommendation of the Board of Trustees, has furnished to the families of the deceased copies of the resolutions expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death on October 24, 1947, of Dr. Walter R. Hobbs of our College of Veterinary Medicine. Dr. Hobbs' entire professional life was devoted to the service of Ohio State University. After receiving his Doctor of Veterinary Medicine degree here in 1914, he immediately joined the staff as house surgeon in the Department of Veterinary Medicine. Successive promotions carried him to the rank of professor, which rank he held at the time of his death.

Additional evidence of his value is found in the fact that he was made Secretary of the College of Veterinary Medicine in 1929, a position which he retained for the remainder of his life. Following the untimely death of Dean Brumley, he was called upon to assume the direction of the College as Acting Dean for a period of a year, and discharged these duties with high credit to himself and value to the University. Dr. Hobbs was a nationally known specialist in small animal diseases and his counsel was highly valued by his associates on the staff and by practitioners in the field. Students of Veterinary Medicine had learned to depend upon Dr. Hobbs for wise counsel, and he was always generous in giving it.

The Board of Trustees learns with regret of the death of Professor Frank H. Beach of the Department of Horticulture and Forestry on October 22, 1947. Professor Beach joined the staff of The Ohio State University as Instructor in Horticulture in 1917. He brought to the position a background of training and experience secured at the State University of Iowa and at Purdue University. He quickly demonstrated his value to The Ohio State University staff and was successively promoted until he reached the rank of professor, which rank he held at the time of his death.

While his major field of service was in agricultural extension, his counsel was valued by specialists on the campus as well as in the field. He was widely known as an orchard expert and gave practical as well as theoretical advice to orchardists all over Ohio. Because of his outstanding ability, he was State Secretary of the Ohio Horticultural Society

and was also active in the national organization known as the Society of Horticultural Science.

In spite of the great demands upon his time for service in the field and on the campus, he found opportunity to be active in community affairs, including the American Legion, of which he was a member, due to his service in World War I. Because of his fine personal qualities in addition to his professional abilities, he will be missed by his friends on the campus and in his home community, as well as by his professional associates in the state and nation.

The Board of Trustees learns with regret of the death of Professor Ivan McKellip of the Department of Agricultural Extension on October 31, 1947. Professor McKellip had been associated with our work in dairying since 1915 when he came to The Ohio State University as Extension Agent in that field. His responsibilities and rank were increased from time to time, so that at the time of his death he was Professor in Agricultural Extension. Professor McKellip brought to his work here an impressive background of training at the Universities of Nebraska and Cornell, and of experience in state work and in university work at Purdue and elsewhere. He was active in the work of the American Dairy Science Association and in Epsilon Sigma Phi, Agricultural Extension honorary. He won membership in the latter group through his twenty-five years of outstanding work in rural education. Through his long and valuable service in the extension field he won a reputation such that he will be missed throughout the state as well as on the campus.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the Minutes of the Board.

Thereupon the Board adjourned to meet Monday, December 15, at 1:00 p. m. at the University.

Attest:

(Signed) CARL E. STEEB,
Secretary.

Air Material Command, Wright Field, Dayton, Ohio—Investigation of Aircraft Antennas (to be known as the Air Material Command, Wright Field Research Project No. 301—Electrical Engineering).

The above six contracts for research in cooperation with Government and Industry represent a gross income of \$205,498.35.

On motion of Mr. Pomerene, seconded by Mr. Power, the above recommendations of the President were approved by unanimous vote.

* * * * *

President Bevis recommended that, upon the recommendation of the Faculty Council, the request of the College of Engineering for the creation of a Department of Welding Engineering with an appropriate degree be approved. It is understood that the immediate effect of this action will be to re-group staff, resources, and activities now otherwise assigned, and that any extensive additions to staff or plant of the new department must await the availability of funds.

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, the Board by unanimous vote approved the above recommendation.

* * * * *

President Bevis presented the following recommendation: that he be authorized to carry out the provisions of the salary adjustment law as passed by the Ohio General Assembly in its recent special session upon recommendation of Governor Herbert.

Under the provision of the law, Civil Service employees whose base salaries are \$3,000 a year or less receive \$10 a month increase for the year 1948.

It is further recommended that the President be authorized to increase by the same amount salaries of other full-time employees of the University receiving \$3,000 a year or less.

Upon motion of General Dargusch, seconded by Mr. Pomerene, the above recommendation was approved by unanimous vote.

* * * * *

Following a statement by President Bevis concerning the desirability of giving official recognition to the 75th anniversary of The Ohio State University, General Dargusch offered the following motion:

That it is the sense of the Board that the 75th anniversary of the opening of classes at The Ohio State University

should be held at an appropriate time in 1948 and that the President be directed to take such steps as may be necessary for the planning and holding of such celebration. Further, that Mr. Charles F. Kettering be appointed to represent the Board of Trustees on the Committee on Arrangements.

The above motion was seconded by Mr. Pomerene and upon roll call was approved by unanimous vote.

* * * * *

For the information of the Board, President Bevis now read a report prepared by Dean Fordham relating to the progress being made in the College of Law.

The Business Manager reported for the record the following actions taken by the State Controlling Board on behalf of University requests:

Request

89. Authorized awarding of contract to Haig M. Boyajohn & Associates for Recitation Building, although bid was above estimate of cost.
92. Released without restriction, G-2 Buildings, Recitation Building and Equipment. (Total, \$840,000.)
100. Released \$24,000 in G-1 Lands, H. B. 496, for purchase of Salzgeber Tract.

The Business Manager presented the following statement:

In regard to the employment of Bellman, Gillette and Richards of Toledo, Ohio, as architects for the Addition to Hagerty Hall (Commerce Building), the Board of Trustees' approval called for compensation at the rate of 6% of the amount of the contract and a flat fee of \$7,500 for other expenses. The Director of Public Works felt that the identical result would be achieved by stating the compensation at 6¼% of the amount of the contract in lieu of the Provision stated above. The contract has been written to include compensation at the rate of 6¼% of the amount of the contract.

Upon motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote approved of the above change.

The Business Manager reported that Sargent & Lundy, Engineers, have completed the plans, specifications and estimate of cost for the Insulation of the Piping and Ducts on the New No. 7 Boiler. Estimate of cost, \$6,500.00. These documents have received the approval of the Director of the Physical Plant and the University Cabinet, but have not arrived in time for the signature of the Board.

The Business Manager recommended that the Board of Trustees approve the plans, specifications and estimate of cost and authorize

the Secretary to sign said documents for and on behalf of the Board of Trustees; that the Business Manager be directed to present the documents to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

On motion of Mr. Power, seconded by Mr. Kettering, the above recommendation of the Business Manager was approved by unanimous vote.

For information of the Board, Vice-President Davis now presented a statement and charts illustrating the study which he has made of the academic degrees held by the members of the University Faculty.

The President now reported to the Board the deaths of Professor Wesley G. France and Professor Earl B. Tussing. In accordance with the recommendation of the Board of Trustees, a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board has been furnished to the families of the deceased.

The Board of Trustees learns with regret of the death on December 4, 1947, of Professor Wesley G. France of the Department of Chemistry. Professor France joined the staff of Ohio State University in 1920 as Assistant Professor of Physical Chemistry. He was subsequently promoted to Associate Professor and Professor, and also was designated as Supervisor in our Research Foundation. As one of the ten outstanding research workers in the United States in colloid chemistry, he was nationally known for his contributions in that field. In view of his brilliant record, he was naturally active in Sigma Xi and other scientific fraternal organizations. Among other distinctions which he has received was that of Chairman of the Division of Colloid Chemistry of the American Chemical Society.

A member of the Faculty Club and the First Community Church, he was active in affairs of both the University community and his home community. His loss is a severe blow to the University in its graduate program as well as in its program of applied and pure research. His advice and counsel will be seriously missed by his associates in various departments of the University.

The Board of Trustees learns with regret of the death on November 27, 1947, of Professor Earl B. Tussing of the Department of Agricultural Extension in Horticulture. Professor Tussing was a graduate of The Ohio State University and received his Master's degree here in 1939. He joined the staff of the University as Assistant Professor of Vegetable Gardening in 1926 and was subsequently promoted to Professor. He was a leader both on the campus and in the State in the field of vegetable gardening, and had been Secretary

of the Ohio Vegetable and Potato Growers' Association and President of the Potato Growers' Association of America.

In spite of his heavy obligations to his profession, he found time for community activities, particularly those connected with his church and the American Legion. He was also active in University affairs and had been chapter adviser to Sigma Nu fraternity. It is evident from the above that he will be greatly missed, not only by his associates on the campus, but by professional workers in the field, and by persons in his community.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the minutes of the Board.

Thereupon the Board adjourned to meet Monday, January 12, 1948, at 9:30 a. m. at the University.

Attest:

(Signed) CARL E. STEEB,
Secretary.

(Signed) H. S. ATKINSON,
Chairman.

THE OHIO STATE UNIVERSITY

That the following miscellaneous recommendations be approved:

That Jeannette Stein, Associate Professor, Department of Physical Education—Women's Division, be paid accumulated leave credit of \$636 in four installments, January, February, March and April, 1948, to clear this credit.

That Arthur Luckhart, Instructor in the College of Dentistry, Rotary 13160, be paid \$324, and Edward N. Cook, Instructor in the College of Dentistry, Rotary 13160, be paid \$321 for salaries earned in the 1946-1947 academic year but not paid in July, August and September, 1947. These two instructors were supposed to have been paid in twelve installments for nine months' work and received only nine installments.

That the following leaves of absence, without salary, be granted:

John R. Randall, Associate Professor of Geography, for the Winter Quarter 1948, in order that he may accept an assignment with the Military Intelligence Division G-2 of the Army General Staff;

Anna T. Petty, Telephone Operator, Starling-Loving Hospital Administration, effective December 16-31, 1947 (extension of leave);

Henrietta Jiron, Janitress, Dietary Department, Starling-Loving Hospital, effective January 1-31, 1948 (extension of leave).

That the effective date of the resignation of Harry W. Cady, Mechanic's Helper, School of Aviation, Rotary 13015, be changed from June 20, 1947, to June 29, 1947.

That the proposal of the Socony-Vacuum Oil Company, Inc., to renew the Socony-Vacuum Oil Fellowship (\$2,000) for the year beginning April 1, 1948, to March 31, 1949, be approved and the appreciation of the Board of Trustees be appropriately expressed.

That the proposal of The Texas Company, New York, New York, to establish a graduate fellowship, under the following terms, be approved and the appreciation of the Board of Trustees be appropriately expressed:

The Fellowship shall be known as "The Texas Company Fellowship," dealing with theoretical studies on the vibrations of hydrocarbon molecules.

The Fellowship is established to encourage graduate

studies and research in the theoretical field on the vibrations of hydrocarbon molecules, leading either to a Master or Doctorate Degree.

The candidate is to be a graduate student at The Ohio State University, and the selection of the candidate is to be left to the discretion of the Dean of the Graduate School and the Chairman of the Department of Physics and Astronomy; The Texas Company shall be informed of the name and qualifications of the candidate.

The Texas Company Fellowship is to be on a year to year basis. If the Fellowship is renewed, it is agreeable to award this Fellowship to the previous year's recipient, if the Dean of the Graduate School feels that the holder of the Fellowship merits such consideration. If there are no suitable candidates, The Texas Company shall be so advised and the Fellowship shall lapse until applications are received from suitable candidates.

The Texas Company's financial obligation will be \$1,500 per year. The Texas Company's Fellowship grant to the candidate is to be \$1,500 for a twelve-month period. Because the first appointment is to begin January 1, 1947, and extend to September 30, 1948, the grant is to be \$1,125, to be paid to the Fellow in nine equal monthly installments. Hereafter the amount is to be \$1,500 for twelve-month periods, beginning October 1, 1948.

The particular investigation chosen for the candidate's research project must have the mutual approval of Dr. W. E. Kuhn, Manager, Technical and Research Division of The Texas Company, and Dr. N. Paul Hudson, Dean of the Graduate School.

Quarterly progress reports shall be submitted by the recipient to Dr. W. E. Kuhn, Manager, Technical and Research Division, The Texas Company.

The University will be free to publish the results of the research work; however, The Texas Company will be given the opportunity of reviewing with Dr. N. Paul Hudson, Dean of the Graduate School, any proposed publications.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

- \$300 from the Watumull Foundation for the Watumull Foundation Scholarship—Rotary 11900;
- \$200 from Dr. I. E. Treece, Arlington, Ohio, for medical research—Rotary 13431;
- \$200 from Mrs. W. N. Harder, Marion, Ohio, for the Pan American Scholarship—Rotary 11583;
- \$10 from Elgin A. Manhard, Rock Island, Illinois, for medical research—Rotary 13431;
- \$10 from Dr. George M. Curtis for the Mary Christie Curtis Fund—Rotary 11155.

From the Development Fund

- \$25,000 for gifts—Rotary 11168;
- \$13,410.50 for the Ohio 4-H Club Foundation;

\$1,547 for the Ohio Dairy Products Research Fund;
 \$1,000 for the Fred W. Albrecht Grocery Company Fellowship—Rotary 11012;
 \$1,000 for the Robert B. Stoltz Dairy Technology Fund;
 \$835 for the Ohio Real Estate Scholarship Fund;
 \$415 for the Ohio Vegetable Research Fund;
 \$341 for the Cleveland Dairy Technology Scholarship Fund;
 \$331.50 for the John Younger Memorial Scholarship Fund;
 \$270 for the Ohio Field Crop Improvement Fund;
 \$250 for the Emil H. Arnold Fund;
 \$242.68 for the Minnie Price Scholarship Fund;
 \$136 for the Joseph N. Bradford Memorial Fund;
 \$122 for the William Lloyd Evans Fellowship Fund;
 \$89 for the Chic Harley Scholarship Fund;
 \$30 for the William A. Starin Lectureship;
 \$15 for the Ceramic Production Laboratory—Rotary 11121;
 \$6 for the Joseph V. Denney Memorial Fund.

That the following research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects, be reported to the Board of Trustees for information and record:

The Upjohn Company, Kalamazoo, Michigan—Investigation of Synthesis of Vitamin "A" (to be known as The Upjohn Company Research Project No. 114—Chemistry);

Office of Naval Research, Washington, D. C.—Investigation of Study of Nuclear Proteins by Electrophoretic Ultracentrifugal Methods (to be known as the Office of Naval Research Project No. 289—Chemistry);

Potash Company of America, Carlsbad, New Mexico—Investigation of Utilization of Potash Chemicals (to be known as The Potash Company of America Research Project No. 205—Chemical Engineering);

Great Lakes Foundry Sand Company, Detroit, Michigan—Investigation of Syenite in Ceramic Products (to be known as The Great Lakes Foundry Sand Company Research Project No. 28—Engineering Experiment Station);

The above four contracts for research in cooperation with Government and Industry represent a gross income of \$31,744.00.

On motion of Mr. Power, seconded by Mr. Thompson, the above recommendations of the President were approved by unanimous vote.

The President presented the following statement and recommendation relative to the Scioto Ordnance Plant at Marion, Ohio:

On January 6, 1947, the Board of Trustees authorized and instructed me to negotiate for the transfer to the University of title to a large acreage of land near Marion constituting a part of what was the Scioto Ordnance Plant.

This action by the Board grew out of my report that, during the preceding month, following a conference with W. J. Durling of the U. S. Office of Education, I, together with the Business Manager, the two Vice Presidents, the University Architect, and the Director of the Physical Plant,

had made a preliminary inspection of the property in question and had reached the tentative conclusion that the property, if acquired, would be of value to the University in a number of ways. Pursuant to Mr. Durling's feeling that the time element was important, I had written to Robert Whittet of the War Assets Administration making "tentative application" for the property. In this letter I stated: "We shall, of course, want to make more complete examination of the property, and final action rests with our Board of Trustees. Subject to their decision, however, I ask that this letter be treated as an application for disposal to The Ohio State University of the land and buildings in question, at the maximum rate of discount—100 per cent."

In reply to my letter, Mr. Whittet had advised that the property in question was in process of being assigned to the Farm Credit Administration, and that dealings should be had with the office at Louisville, Kentucky; accordingly, I addressed communications to the proper officials of the Farm Credit Administration and the Federal Land Bank at Louisville, repeating our tentative application. John A. Moore, District Supervisor of Surplus Property Disposal, replied to the effect that the assignment to the Farm Credit Administration had not yet been completed, but that our tentative application would be kept on file for appropriate action when the property came into the Farm Credit Administration's control.

Having thus done what appeared to be necessary to establish our position as an applicant for the property, we undertook a more detailed investigation of the uses to which it might be put and the probable cost of its maintenance and development. On February 1, 1947, I received a joint report from Dean Cunningham, Dean of the College of Agriculture; Junior Dean Chester S. Hutchison, Junior Dean of that College; and Mr. R. L. Bazler, Farm Superintendent; Dean Charles E. MacQuigg, Dean of the College of Engineering; Professor J. R. Shank, Assistant Director of the Engineering Experiment Station; and Mr. James S. Owens and Mr. Thomas E. Davis of the Research Foundation. This report, resulting from a somewhat detailed inspection, indicated that the facilities at the Plant might be used by the University:

1. For work in Agriculture in the areas of Agronomy, Animal Husbandry, Dairy Husbandry, Poultry Husbandry, Horticulture and Agricultural Engineering; that it offered possibilities for the conduct of "short course" instruction; that it might be utilized in certain graduate work; and that certain of the buildings could be converted into classrooms and laboratories.
2. For work in Engineering, particularly for noisy operations such as rocket work, jet propellants, gas turbines, etc.; as a proving ground for motorized equipment; for certain large scale operations in Chemical Engineering; and for work in the communications branch of Electrical Engineering.
3. For work by the Engineering Experiment Station; certain of the buildings seemed attractive, and it

was thought that oil research and fuel research might be conducted there to advantage.

4. The Research Foundation saw possible use for some of the buildings in the fields of aviation, aviation fuels, rocket and jet engines, etc., but the question was raised as to the distance from the University campus.

In this entire report, it was suggested that further study ought to be given to maintenance costs, additions to staff, and other considerations growing out of remoteness.

On January 28, 1947, I had a communication from the Marion Chamber of Commerce indicating its desire to have its representative discuss with me the matter of the University's acquiring this property; and on March 3, 1947, this organization forwarded a copy of a resolution adopted by its Board of Directors favoring the acquisition of this land by The Ohio State University.

Through personal and written communications, we kept up our contacts with the Farm Credit Administration, but were advised on June 17 that the property was not to go to the Farm Credit Administration after all, but that our dealings should be resumed with the War Assets Administration, which, for this purpose, was represented by Colonel John A. Retter, Regional Director of Field Property. Colonel Retter stated in a letter dated September 12 that we would be advised when a formal application might be properly sent to him, and on October 21 he wrote that control of the property was then in the hands of the War Assets Administration and that an application would be received.

Meantime, as our own investigations proceeded in more detail, the College of Engineering, the Research Foundation and the Engineering Experiment Station became increasingly doubtful of the over-all desirability of acquiring the property from their particular points of view. The distance, the probable expense of remodeling and rehabilitation, the lack of living facilities and the expense of maintenance appeared as more formidable obstacles in comparison with the benefits to be derived. At a conference in my office in November 5, 1947, attended by Mr. Durling representing the Government, Dean Rummell, Dean MacQuigg and Director Owens, it developed that our final and formal application, if we should decide to make one, would rest mainly on the uses and requirements of the College of Agriculture, possibly in conjunction with the Experiment Station at Wooster.

In view of this development, Dean Rummell and his associates undertook a more thorough and extensive investigation than had been made from the viewpoint of Agriculture, and on November 18 submitted to me a comprehensive report which is hereto attached. In this report, it is pointed out that while the soil is fairly productive, if properly drained, it is of such character as to be of limited usefulness for the propagation of fruit or vegetables and would be chiefly suitable for corn, wheat, and legumes. Large field operations were therefore indicated.

Of the 3,200 acres involved, about 1,000 are consumed in

fuse lines, shops, roads, reservoirs and waste areas. The area is traversed by several miles of railroad track and 30 miles of hard surfaced highway. All fences have been removed and fencing to the extent of perhaps 100 miles would be in prospect should the University acquire the property. The Government's use of the land in question has ruined the tile drainage to such an extent that new tiling throughout would probably have to be put in.

The Government appears to desire the maintenance of the railroads and a number of grade crossings would have to be constructed and maintained. Heavy investment would be necessary in the way of remodeling buildings for agricultural use. Perhaps most important of all, the acreage has been traversed by deep ditches which cannot be crossed by tractors and would require the maintenance of many bridges. These ditches would also have the practical effect of cutting up the land into areas unsuited for large field farming.

Dean Rummell's report hazards the estimate that rehabilitation costs would run to \$400,000 with a very heavy annual maintenance. These considerations led Dean Rummell and his associates to the conclusion that, for the Agriculture use that could be made of the property, the rehabilitation and maintenance costs would be excessive and that a more productive use of the same amount of money could be had from the outright purchase of more desirable land.

As the result of this more mature and more detailed investigation, I am now of the opinion that it would be inadvisable for the University to acquire this property and that we ought not to file formal and definite application for the title. Were the land in the same condition as it was when acquired by the United States Government, a considerably different picture would be presented. This consideration has apparently influenced the Universities of Wisconsin and Michigan to decline the opportunity to acquire similar tracts of land in their areas. On the other hand, in the Minnesota and Iowa plants where, by the end of the war, the Government had not done very much to change the character of the land, the Universities of Minnesota and Iowa have asked for and accepted similar tracts.

It is my recommendation, therefore, that I be instructed to advise the proper officers and agents of the United States Government that The Ohio State University will not make application for the transfer to it of the remaining portion of the Scioto Ordnance Plant acreage.

On motion of Mr. Power, seconded by General Dargusch, the above recommendation of the President was approved by unanimous vote.

The Business Manager presented the plans, specifications, estimate of cost, bill of materials and form of proposal for the following improvements connected with the University Power Plant which have been prepared by Sargent & Lundy, Engineers, and Mr. Paul H. Elleman, Maintenance Engineer. These documents have been approved by the University Cabinet and it is now recommended that the Board of Trustees approve the same.

One Steam Generating Unit (No. 6) complete with auxiliaries	\$391,200
Piping for new 5,000 KW Turbine.....	35,000
Removal of present 1,500 KW Turbine and installation of foundations for new 5,000 KW Turbine....	35,000

These projects are to be paid from G-31 Power Plant Equipment—H. B. 496.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above plans, specifications, estimate of cost, bill of materials and form of proposal were approved by unanimous vote and the Secretary was authorized and directed to sign the same for and on behalf of the Board of Trustees, and the Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

That the following miscellaneous recommendations be approved:
That the following leaves of absence, without salary, be granted:

Richard T. Stevens, Assistant Professor of Economics, for the Winter Quarter 1948;

Herschel W. Nisonger, Professor and Director, Bureau of Special and Adult Education, for the month of February in order to go to Germany as an expert consultant to the Department of National Defense for the purpose of advising military government in the field of adult education;

Joseph B. Zetka, Glass Technologist, Department of Electrical Engineering, from January 1 to April 1, 1948;

Dorothy A. Strainic, Technical Assistant, Department of Radiology, Starling-Loving Hospital, effective January 1, 1948, for three months on account of illness;

Mary E. Ranney, Assistant Head Nurse, Nursing Care, Starling-Loving Hospital, effective January 5 through February 4, 1948, on account of illness;

Doris M. Feil, General Duty Nurse, Nursing Care, Starling-Loving Hospital, effective January 1 through January 31, 1948, on account of illness;

Patricia Berkhiser, Typist, College of Agriculture, effective January 11, 1948, for an indefinite period;

Betty Cutter, Assistant to Registrar, Registrar's Office, effective February 1 through March 1, 1948;

Dorothy Bartlett, Stenographer, Bureau of Public Relations, effective January 9 through January 31, 1948.

That Jeanette H. Spangler, Anesthetist, Starling-Loving Hospital, who has been on leave of absence since November 1, 1947, be returned to service, effective January 5, 1948.

That the contract of George E. Mueller, Research Associate, Electrical Engineering, Research Foundation, approved by the Board of Trustees at the meeting on October 8, 1947, be changed from "October 1, 1947, to June 30, 1948, at \$1,260 for the period" to "January 1, 1948, to June 30, 1948, at \$840 for the period."

That the fees for either the First Term or the Second Term of

the Summer Quarter be fixed at the next highest dollar in cases where one-half of the regular Quarter fee is an amount not an even dollar. (For example, Non-resident fee \$75.00; \$37.50 would be \$38.00.)

That the following fees be assessed, effective Spring Quarter, 1948:

Mine Engineering 630—2 hours.....	\$18.00
Metallurgy 645—2 hours.....	60.00

That the Registrar be authorized to assess on the Autumn Quarter fee card an amount, to be approved by the Board of Trustees each year, for an Athletic Book to cover various sports, provided the student voluntarily requests it on his schedule when filed. ✓

That, in recognition of his important service to the University over many years, Dr. Robert G. Paterson be given the rank of Emeritus Professor of Social Administration. Since his service has been part time, he is not a member of our retirement system. Therefore, no payments will be made to him as Emeritus Professor.

The President presented the following statement and recommendations concerning the 4-H Club Foundation:

On July 1, 1946, the Board approved a recommendation by the President concerning a proposal of the Ohio State University Development Fund to cooperate with the 4-H Clubs of Ohio and certain other organizations, looking toward an endowment fund of \$200,000.00 to be known as the Ohio 4-H Club Foundation.

Experience with this project since the beginning of its operation has led to the conclusion that the proposal as adopted can be construed to sanction practices beyond the limits of good policy and in some respects beyond the powers of the University.

After conference with the Field Director of the Ohio State University Development Fund and the Business Manager of the University, who are in agreement on this matter, I recommend:

(1) That the purpose clause be amended to read as follows:

“3. *Purpose:* To provide scholarships, fellowships or other aids for undergraduate and graduate study, short courses, conferences, or other educational events, under the auspices of The Ohio State University.”

(2) That the first paragraph of the expenditure clause be amended to read:

“4. *Expenditure:*

A. The Executive Council shall make recommendations to the Board of Trustees of The Ohio State University for the expenditure of funds and such expenditures shall be made only on the order of the Board of Trustees.”

Upon motion of General Dargusch, seconded by Mr. Power, the above recommendation of the President was approved by unanimous vote.

The President presented the following statement concerning the site of the Ohio State Fair:

The President called attention to previous reports and discussions in the Board meetings concerning the relocation of the site of the Ohio State Fair.

He reported further that, together with Mr. Taylor, Business Manager, Dean Rummell of the College of Agriculture, and Dean Krill of the College of Veterinary Medicine, he was invited by the State Fair Relocation Commission to appear at a meeting to be held in Hearing Room No. 4 of the State Office Building on January 29, 1948; that at this meeting he read the following statement:

"Irrespective of the location of the State Fair, the University is considering the expansion of the College of Agriculture west of the Olentangy River. Just what developments will take place has not yet officially been decided but much thought is being given to the matter.

"The University has neither the responsibility nor the power to decide on the location of the Fair site and is not attempting to participate in that decision. We are, however, willing to indicate the direction of our planning as far as it has progressed.

"We are definitely concerned as to the character of the installation contemplated. A collection of cheap and ugly structures would, we feel, be a handicap to the University and its development.

"If modern and sightly grounds and buildings are provided near the University, a variety of cooperative uses can be foreseen; e.g., a Coliseum would serve both purposes. Development of 'short course' work could be facilitated. Other joint uses not now specifically visualized would probably develop. We do not, at present, however, see University uses for all the Fair buildings."

The President reported further that on the evening of January 29 former Governor Myers Y. Cooper, Chairman of the State Fair Relocation Commission, called him by telephone to say that the Commission had met in the afternoon and had unanimously agreed upon a site for the State Fair north of Ackerman Road.

The President reported that, late in November and early in December, 1947, a questionnaire was distributed widely to the student body of the University, soliciting ideas and opinions as to what facilities should be built into the Student Union. This questionnaire embodies 52 items representing ideas from all sources previously brought to the committee's attention.

Some 8,000 replies were received and the answers tabulated. Among the items was one numbered 37, concerning the installation of a "rathskeller." A proportionately large number of replies indicated a student desire for this facility.

Preliminary computations of cost indicate that funds will not be available for the inclusion of the entire list of items mentioned, and that selection will have to be made.

Since the publication of the results of this questionnaire in the

LANTERN and elsewhere, numerous letters have been received by the University Administration protesting against the inclusion of a "rathskeller" or the sale of intoxicating liquor in the Union.

Upon motion of General Dargusch, seconded by Mr. Power, the Board of Trustees, by unanimous vote, agreed that alcoholic beverages shall not be dispensed on the University campus.

General Dargusch presented the following resolution and moved its adoption:

In view of the outstanding contribution made to the growth and development of The Ohio State University by William Oxley Thompson, the University's fifth President, and

In view of the fact that the present Library Building was constructed during his Presidency,

BE IT RESOLVED that the enlarged Library Building, when completed by the use of the funds now appropriated for the purpose, be officially known and designated as the "William Oxley Thompson Memorial Library."

The motion was seconded by Mr. Power and, upon roll call, was unanimously approved.

Original contract, \$48,640.00
- (5) *Conrath Electric Company*—\$980.00
For additions to contract, Electric, Central Service Building
Original contract, \$42,560.00

On motion of General Dargusch, seconded by Mr. Thompson, the extras to contracts as detailed above were approved by unanimous vote.

* * * * *

The Business Manager presented the recommendation of the Cabinet that the following extensions of time to contracts be approved:

- (1) *Babcock & Wilcox Company*
Steam Generating Unit, \$202,085.00
Contract dated March 25, 1946
From February 1, 1948 to May 31, 1948

(2) *Wyatt, Bird & Associates*

Plans for Incinerator

From January 15, 1948 to July 1, 1948

Upon motion of Mr. Power, seconded by General Dargusch, the above recommendation was approved by unanimous vote.

* * * * *

The Business Manager presented specifications, estimate of cost, bill of materials, and form of proposal for the following:

(a) Relaying Tile Roof on Brown Hall

Estimated cost, \$12,100

Payable from F-1 Roofing

(b) Interior Painting and Patch Plastering in Pharmacy and Bacteriology Building and Mendenhall Laboratory

Estimated cost, \$19,000

Payable from F-1 Building Repairs

The Business Manager stated that the Cabinet has approved these documents and now presents them to the Board for its approval.

Upon motion of Mr. Power, seconded by Mr. Thompson, the Board by unanimous vote approved these documents and directed the Secretary, for and on behalf of the Board, to sign them. The Business Manager was directed to advertise for bids in accordance with law and the Cabinet was authorized to receive and open bids, for and on behalf of the Board of Trustees, and if any bids are received below the estimate of cost to award such contracts. The President was authorized to sign such contracts, for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

* * * * *

The Business Manager presented plans, specifications, estimate of cost, bill of materials and form of proposal for the following:

(a) Paving and Widening of Campus Roads

Estimated cost, \$11,500

Payable from G-31 Roads, Walks, Tunnels, Utility Lines

(b) Tunnel to Botany and Zoology Greenhouses

Estimated cost, \$24,800

Payable from G-31 Roads, Walks, Tunnels, Utility Lines

(c) Additions to Robinson Laboratory Remodeling

Estimated cost, \$18,000

Payable from Rotary 12879

The Business Manager stated that the Cabinet has approved these documents and now presents them to the Board of its approval.

Upon motion of Mr. Power, seconded by Mr. Thompson, the Board by unanimous vote approved these documents and directed the Secretary, for and on behalf of the Board, to sign them. The Business Manager was directed to present them to the Director of Public Works for his approval, and if so approved to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids, for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

* * * * *

The Business Manager reported for the record that the State Controlling Board has approved the following requests presented by the University:

Request 106—Additional amounts on contracts for Central Service Building:

George Sheaf Company.....	\$44,268
Sauer, Incorporated.....	2,360
Huffman-Wolfe	1,035
Conrath Electric Company.....	980

Request 112—Extra of \$2,403.52 to Darin & Armstrong Company

Request 113—Extra of \$1,170 to George Sheaf Company

* * * * *

Due to a change in the law, contracts for repairs to buildings and grounds, payable from appropriations for Operation and Maintenance, no longer are referred to the State Director of Public Works, but are to be handled directly by the Board of Trustees. Therefore, the Business Manager recommended that the action taken by this Board on November 9, 1947, with reference to the Interior Painting and Patch Plastering of Townshend Hall, Arps Hall and Plumb Hall, at an estimated cost of \$20,200, payable from F-1 appropriations, be rescinded and the following action be substituted therefor:

That the documents for this work as presented by the Business Manager be approved and that the Secretary be directed to sign them, for and on behalf of the Board of Trustees. The Business Manager is directed to advertise for bids in accordance with law, and the Cabinet is authorized to receive and open bids, for and on behalf of the Board of Trustees, and if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts, for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the board at a later meeting.

Upon motion of Mr. Pomerene, seconded by Mr. Power, the above recommendation of the Business Manager was approved by unanimous vote.

The Business Manager presented the following statement:

The employment situation has not improved during the current year, and as a result the Hospital was unable to make appointments to the regular salary budget. The work was accomplished by hiring employees on a wage basis, thus leaving an unexpended balance in the A-1 account at the end of each month.

In order to give the Hospital full advantage for the appropriation as provided in the 1947-48 budget, it is requested that the Board authorize the Business Manager to transfer employees from the Hospital rotary budget to the Hospital A-1 budget, from time to time, so that the full amount of the appropriation from A-1 funds may be used prior to June 30, 1948.

Upon motion of General Dargusch, seconded by Mr. Thompson, the Board by unanimous vote approved the above request.

President Bevis presented the following statement:

One of The Ohio State University's great responsibilities at the present time is the training of teachers for the public schools. It is a matter of common knowledge that there is currently a serious shortage of trained teachers available for service in the elementary schools.

In the secondary or high schools, the situation is not acute. There are 17,621 high school teaching positions in the state with a current annual demand of approximately 2,000 new trainees. The 48 teacher training institutions in the state will supply approximately 2,915 trainees this year, or an excess of 900 over demand.

The difficulty is in the elementary school situation. Here there are 21,810 positions in the state of Ohio with an annual demand of about 2,500 new trainees. The combined output of the 25 teacher training institutions in this field this year will be 851, leaving a deficit of some 1,550 in the state.

There is believed to be a variety of causes for this acute shortage, among which the pay scale is an important factor. It is believed, however, that other incentives are important and that a number of recruitment measures may have significant effect.

In the year 1946, the University received 1,188 requests for elementary school teachers and graduated only 87, of whom 72 were placed. In 1947, the University received 1,704 requests for elementary teachers and graduated 66, of whom but 48 were willing to accept positions. The number of calls in 1946 was 37 per cent more than in 1945, and the calls received in 1947 were 43 per cent more than in 1946.

It is highly desirable that The Ohio State University take all proper measures to augment its own supply of trainees. The Dean of the College of Education and his staff are pressing a number of recruitment measures but, in addition, it is proposed that we establish 88 tuition scholarships—one for each county in the state—for students who desire to become teachers in the elementary schools. Arrangements can be made to assist the holders of these scholarships to earn a portion of their expenses by jobs in dormitories, etc. The Dean of Women has given considerable attention to this matter.

The maximum cost to the University in tuition loss would be about \$8,000.00 a year, and the current recommendation is limited to one class which, of course, would have to be carried through a four-year period. Both the need and the desirability of continuing these scholarships for succeeding years can be reported to the Board after further study.

I recommend, therefore, that as President of the University, I be authorized to offer 88 tuition scholarships, one to each county in the state, provided, however, that if any county offers no candidate, more than one may be taken from

another county or counties, but not to exceed 88 scholarships in total.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above recommendation of the President was approved by unanimous vote.

Dean Harlan H. Hatcher of the College of Arts and Sciences now presented a comprehensive verbal report to the Board, outlining the program of the College and the progress being made to carry this program forward.

* * * * *

The President now reported to the Board the death of Professor Alva W. Smith and, in accordance with the recommendation of the Board of Trustees, has furnished to the family of the deceased a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death on January 21, 1948, of Professor Alva W. Smith of the Department of Physics. Professor Smith had been connected with The Ohio State University in one capacity or another for nearly forty years. He held three degrees from this University and began his staff connection in 1912 as an Assistant. Faithful and effective service resulted in successive promotions to that of Professor of Physics, which rank he held at the time of his death.

Dr. Smith earned the reputation of being one of our outstanding teachers as well as scholars. He not only gained the admiration and respect of his associates and students, but also the warm friendship of students as well as associates. Annual greetings and letters from alumni attested to the high esteem in which he was held. His standing among his associates over the country is indicated by his active membership in professional associations and learned societies in his field. In addition to his classroom work, he contributed importantly to campus life in many ways, and his passing will be mourned by the University community far beyond the limits of his own department or college.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the Minutes of the Board.

Thereupon the Board adjourned to meet Monday, March 8, at 9:30 a. m. at the University.

Attest:

(Signed) CARL E. STEEB, (Signed) WARNER M. POMERENE,
Secretary. Chairman.

Changes in Quarters of Service

That the following changes in quarters of service be approved:

Name	Title	From	To
<i>College of Education</i>			
<i>Education</i>			

John J. Kinsella	Associate Professor	Au.Wi.	1947-1948	Au.Wi.Sp.
*	*	*	*	*

That the following miscellaneous recommendations be approved:

That the following persons be transferred from School of Aviation Rotary 13015 to School of Aviation A-1, effective February 1, 1948:

John B. Evans, Assistant Chief Flight Instructor...\$4,224.00
 Fred E. Macready, Mechanic..... 3,468.00
 Hilton J. Wachholz, Mechanic..... 3,480.00

That Rose Ann Brown, Maid (\$1584), and Martha Johnson, Cook's Assistant \$1,656), be transferred from Neil Hall Dining Room

and Kitchen Rotary 8222 to College Road Cafeteria, Rotary 8208, effective September 16, 1947.

That the following persons be transferred from the Department of Industrial Engineering A-1 to the Department of Welding Engineering A-1, effective January 1, 1948:

Robert S. Green	Assistant Professor and Acting Chairman		\$4,200.00
Jacob A. Foust	Instructor		8,000.00
Clayton H. Crane	Instructor	Wi.Sp.	1,800.00.00 period
Melvin C. Clapp	Student Assistant	Wi.	120.00 period
Edward A. Harwart	Student Assistant	Wi.	120.00 period

That Rossie Greer, Home Demonstration Agent in the Department of Agricultural Extension, who retired December 31, 1947, be given the title Emeritus Home Demonstration Agent.

The retirement income from the Public Employees Retirement System exceeds the guarantee of University Retirement and there is no financial obligation on the part of the University in connection with her retirement.

That Guy W. Conrey, Professor, Department of Agronomy, who retired February 29, 1948, on superannuation retirement because of the fact he applied for disability retirement after attaining the age sixty, as provided in the State Teachers Retirement System, be given the rank of Emeritus Professor. Professor Conrey's retirement allowance from the State Teachers Retirement System exceeds the total retirement benefit to which he is entitled under University regulations, thus making no supplementary payment necessary.

That the following leaves of absence, without salary, be granted:

Clayton W. Ellett, Instructor in the Department of Botany, for the Spring Quarter 1948, for graduate study at the University of Minnesota;

Carmen Bond, Junior Medical Technologist, Laboratories A-1, Starling-Loving Hospital, effective February 11, 1948, to April 1, 1948, on account of illness;

Beulah Milheim, General Duty Nurse, Nursing Care Rotary, Starling-Loving Hospital, effective January 29, 1948, to April 30, 1948, on account of illness;

Henrietta Brown, Janitress (part time), Housekeeping Rotary 13727, Starling-Loving Hospital, effective February 5 through March 31, 1948;

Doris M. Feil, General Duty Nurse, Nursing Care Rotary 13727, Starling-Loving Hospital, February 1 through April 30, 1948—(extension of leave);

Fay Lewis, Janitor, Physical Plant, for indefinite period, effective March 1, 1948;

Thelma B. Eversole, Clerk, University Bookstore, Rotary 15951, effective January 1 to February 16, 1948.

That a laboratory fee of \$7.00 be established for a refresher course for graduate registered laboratory technicians, to be given during the week of March 22, 1948, under the direction of Dr. H. L. Reinhart of the College of Medicine. This fee is to be deposited in the Laboratory Supply Pro-Rata account.

That the incidental fees charged students who are enrolled only in Workshops during the Summer Quarter 1948 be set at \$15.00; that

Matriculation, Activity and Non-resident fees be not assessed, but that laboratory fees be assessed as follows:

Workshop for School Administration	\$10.00
Workshop for Guidance Specialists	8.00
Workshop for School Health Specialists	10.00

That, upon the recommendation of the Faculty Council at its meeting held on February 10, 1948, the following Faculty Rules be amended as follows:

Rule 36

That Rule 36 be amended to read:

"The Committee on Aptitude and Diagnostic Tests. The Committee on Aptitude and Diagnostic Tests shall consist of five members of the University Faculty appointed annually by the President. It shall formulate and administer intelligence tests to all undergraduate students entering the University, except such as present intelligence ratings satisfactory to the Committee. In the case of graduate students, such requirement is optional with the departments or schools concerned.

"The Committee shall also study the formulation, administration, and use of other aptitude and diagnostic tests and shall recommend to the Faculty Council such revisions of the University's testing program as it thinks proper after full consultation with the departments, colleges, and other units affected. Its function shall not extend to examinations given in any course unless the department concerned solicits the assistance of the Committee."

Rule 38

That Rule 38 be amended to read:

"The Committee on Student Standing. The Committee on Student Standing shall consist of six members of the University Faculty appointed by the President for a term of three years, two to retire each year. On referral to it by the Faculty or the Executive Committee of a college, this committee shall act as a board of review in cases where a student has demonstrated satisfactory academic ability subsequent to a period of unsatisfactory performance which has so lowered his point-hour ratio as to imperil his continuation in the University, his promotion to a senior division, his graduation, or other advancement. If in any such instance the Committee is convinced that the student suffers a needless penalty by being held for points on all hours failed, it may instruct the Secretary of his College to omit specific courses in computing the student's point-hour ratio. All affirmative actions of the committee shall be reported to the Registrar, who shall note the action on the student's permanent record."

Rule 134

That Rule 134 be amended to read:

"Repetition of High School Work. If a student enters a course that presupposes a high school unit in the same subject and is unable to carry the course, it shall be the duty of the Department to notify the student's college of his defi-

ciency. The Secretary of the College shall replace the course on the student's schedule with a more elementary course in the same subject, where such a course has been established. The new course shall carry the credit assigned to it. The hours and points shall be included in the computation of the point-hour ratio, but the hours shall not be used toward meeting graduation requirements."

Rule 166

That Section 1 of Rule 166 be amended to read:

"Members of the instruction staff of the University, including Assistants, Graduate Assistants, and Assistant Instructors who are registered in the Graduate School; and any member of the teaching staff who, on the approval of the appropriate instructor and department chairman, enrolls as an auditor."

That Section 2 of Rule 166 be amended to read:

"Research Assistants and Research Associates in the University, and Student Dietitians, Internes and Residents in the University Hospital who are registered in the Graduate School."

That Section 3 of Rule 166 be amended to read:

"Fellows and Scholars appointed by the Board of Trustees who are registered in the Graduate School."

That Section 4 of Rule 166 be amended to read:

"Members of the Ohio Agricultural Experiment Station staff who are registered in the Graduate School."

That, in accordance with the recommendation of the University Faculty Council, degrees be awarded at the Winter Convocation on March 19, 1948, to the following named students who have completed their requirements therefor:

To *Krause & Pagura*—\$36,883.00
Payable from G-31 Power Plant Equipment
2. Piping for New 5000 KW Turbine, Power Plant
To *Sauer Company*—\$42,443.00
Payable from G-31 Power Plant Equipment
3. Insulation of Piping and Ducts on New No. 7 Boiler, Power Plant
To *Johns-Manville Corporation*—\$4,077.00
Payable from G-31 Power Plant Equipment
4. One Steam Generating Unit (No. 6) Complete with Auxiliaries, Power Plant
To *Dravo Corporation*—\$376,850.00
Payable from G-31 Power Plant Equipment

Upon motion of Mr. Pomerene, seconded by Mr. Power, the Board approved the above actions of the Cabinet by unanimous vote.

* * * * *

The Business Manager reported for the record that the State Controlling Board has approved the following requests of the University:

Request

120. Release of \$40,000—G-31 Roads, Walks, Tunnels, Utility Lines;
122. Release of \$10,000—G-2 Physics Building;
125. Award of contract to Sauer Company for Piping for New 5000 KW Turbine Power Plant—\$42,443;
126. Award of contract to Krause & Pagura for Removal of Present Turbine and Installation of New Turbine in Power Plant in the amount of \$36,883;

130. Authorized contract with Burgess & Niple for Preparation of Topographical Map for New Site of College of Agriculture—amount not to exceed \$2,200.

The Business Manager presented the plans, specifications, bill of materials and estimate of cost for Additions to the Botany and Zoology Building, as prepared by the University Architect and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees. The Business Manager stated that the estimate of cost of this Addition to the Botany and Zoology Building is \$560,000, payable from G-2 Building Appropriations.

Upon motion of General Dargusch, seconded by Mr. Pomerene, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

The Business Manager recommended the transfer of \$4,000 from Dairy Laboratory Rotary 15954 to Dairy Technology Rotary 13156.

Upon motion of Mr. Power, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

* * * * *

The Business Manager recommended that the Medical Research Clinic Rotary 13431 be broken up into separate rotary funds to cover receipts turned in by various doctors in the College of Medicine who are employed on a full-time basis.

Upon motion of Mr. Pomerene, seconded by General Dargusch, the above recommendation was approved by unanimous vote.

* * * * *

The Business Manager recommended the employment of Burgess & Niple, Civil and Sanitary Engineers, to make a topographic survey of the proposed new site, west of the Olentangy River, for the College of Agriculture. Estimated cost, \$2,200.

Upon motion of General Dargusch, seconded by Mr. Power, the above recommendation was approved by unanimous vote.

* * * * *

The Business Manager reported that the Trustees of the Ohio Archaeological and Historical Society have had the plans drawn for an addition to its Museum Building, located on the University grounds, and has forwarded said plans to the University for the approval of the Board of Trustees.

The Business Manager stated that the Cabinet has given its approval to the size, location and architectural character of the addition and now recommends that the plans be approved by the Board of Trustees.

Upon motion of General Dargusch, seconded by Mr. Power, the above recommendation was approved by unanimous vote and the Secretary was directed to sign said plans for and on behalf of the Board of Trustees.

The Business Manager now presented the following report and recommendations covering the bids received March 3, 1948, for the proposed Health and Medical Center:

HEALTH AND MEDICAL CENTER

1. Bids were opened for the Health and Medical Center on March 3, 1948. An analysis of the low bids disclosed the following:

<i>Complete buildings—(600 bed teaching Hospital and Dental School)</i>		
<i>General Contract</i>		\$4,576,700
<i>Heating, Ventilating, Air Condition, and Process Piping</i>		
Bid	\$1,293,000	
Acceptable substitutions.....	2,900	
Proposed award.....		1,290,100
<i>Plumbing</i>		
Bid	653,900	
Acceptable substitutions.....	1,000	
Proposed award.....		652,900
Pneumatic tubes—estimate—no bid.....		5,000
<i>Electrical</i>		
Bid	672,270	
Acceptable substitutions.....	2,888	
Proposed award.....		669,382
<i>Elevators—Electric—Hospital</i>		
Bid	229,657	
Acceptable substitutions.....	6,938	
Proposed award.....		222,719
<i>Dumbwaiters</i>		50,761
<i>Overhead Electric Elevator—Dental School</i>		30,985
Total low bids (after acceptable substitutions) for basic structures.....		\$7,498,547
Architect's fees (approximate).....		450,000
Total required for buildings, without equipment...		\$7,948,547

2. It had been hoped by the Architects, originally, that the major portion of the equipment for the Medical Center could be acquired within the appropriation of \$8,000,000. The estimate of the Architects which was filed with the Auditor of State is summarized as follows:

Basic structures.....	\$6,688,910
Equipment	1,186,674
Architect's fee.....	433,189
Total	\$8,308,773

(This estimate was \$308,773 over the available funds.)

3. The architects suggest, with respect to equipment, that
 - (a) With the exception of the kitchen equipment (estimated cost \$250,000, bid at \$231,500), none of the equipment need necessarily be acquired at the time of awarding the general contract.
 - (b) In fact, in the two years which will ensue before the building can be completed, many improvements may be expected in the design and construction of equipment of this character.
 - (c) The quantity of the equipment items could be reduced to some extent.
 - (d) However, the bid for patients' room furniture (\$63,039

against an estimate of \$95,260) be accepted, if at all possible.

- (e) Otherwise, all equipment bids be rejected, since in most cases there was but a single bid (and in some cases none) and in many cases the bids were over the estimates.

4. If the kitchen equipment and the patients' room furniture were bought at this time, it would require \$294,539. Deans Doan and Postle believe that by scaling down their other equipment requests for the new structures to the minimum basic need, no more than \$250,000 will be required within the coming biennium. The balance of the original request for equipment can be secured in future years after the buildings are built. Assuming that the kitchen and the patients' room furniture were to be bought, the situation with regard to the outlay to be contemplated at this time would be as follows:

Total required for buildings without equipment.....	\$7,948,547
Kitchen equipment.....	231,500
Patients' room furniture.....	63,039
Additional equipment to be purchased during next biennium for Hospital and Dental School.....	250,000
Total	\$8,493,086
Appropriation	8,000,000

Excess to be provided.....\$ 493,086

It is believed that this excess can be provided out of (a) rotary funds, and (b) regular equipment appropriations over the time intervening until the buildings are completed. Possible future appropriations would make the task of securing the equipment easier, but such appropriations are not considered vital to proceeding on the basis outlined above.

5. In the most stringent situation, Dean Doan states that all of the equipment, excepting the kitchen equipment, could be eliminated in the Hospital. This would represent a reduction of the excess funds to be provided by \$313,000 and reduce the amount to be provided to \$180,086.
6. If the proposal of Section 4 were to be adopted, there would be provided the full eleven-story, 600-bed Teaching Hospital and the Dental School as recommended in the preferred scheme of the modified plans presented to the Board of Trustees at the 1947 Gibraltar Island meeting. Important to remember, also, is the fact that when the new Hospital is occupied, space will be made available in the old Hospital to the extent of 80 to 90 beds for the Student Health Service.
7. Cost data on the Health Center on the basis of the Architect's recommendations are as follows:

<i>600 Bed Teaching Hospital</i>	
Cost per bed.....	\$12,300.00
Cu. ft. cost.....	1.96
Sq. ft. cost.....	24.00
<i>Dental School</i>	
Cu. ft. cost.....	1.72
Sq. ft. cost.....	21.10
<i>Overall</i>	
Cu. ft. cost.....	1.92
Sq. ft. cost.....	23.30

8. The following recommendations are therefore made:

- (a) That the Administration be authorized to request permission from the State Board of Control for the award of the general contract and the contracts for heating and ventilating, plumbing and electric work to the lowest bidders, notwithstanding the fact that all the low bids were over the estimate filed with the Auditor of State, viz:

	<i>Estimate</i>	<i>Low bids (less substitutions)</i>
General Contract.....	\$4,206,917	\$4,576,700
Heating and Ventilating.....	897,908	1,290,100
Plumbing.....	633,179	652,900
Electric Work.....	633,906	669,382

It is the opinion of the Architects that no better bids could be secured through rejecting the present bids for the main structures and re-advertising for new bids. Sufficient competition was secured in the present bidding to justify an award with the permission of the State Board of Control and the architects so recommend

- (b) That the Board of Trustees approve and authorize the Administration to recommend to the Director of Public Works the award of the following contracts when the State Board of Control grants the authority specified in (a) above:

General Contract

Grove, Shepherd, Wilson & Kruge, Incorporated, New York ;
Johnson, Drake & Piper, Incorporated, Minneapolis, Minnesota ;
Psaty and Fuhrman, Incorporated, New York.

(Acting in combination and as a unit for the purpose of accepting and complying with this contract.)

Amount of contract.....\$4,576,700.00

Heating, Ventilating, Air Conditioning and Process Piping

The Huffman-Wolfe Company, Columbus..... 1,290,100.00

Plumbing

The Huffman-Wolfe Company, Columbus..... 652,900.00

Electric Work

Electrical Contractors, Incorporated, Chicago..... 669,382.00

Elevator—Electric—Hospital

Otis Elevator Company, Cleveland..... 222,719.00

Dumbwaiters

Otis Elevator Company, Cleveland..... 50,761.00

Kitchen Equipment

Federal Manufacturing Company, Brooklyn, N. Y. 231,500.00

Patients' Room Furniture

Hill-Rom Company, Incorporated, Batesville, Ind. 63,039.15

- (c) That the contract for the overhead electric elevator or oil hydraulic equipment be entered into after analysis and recommendation by the architects. Report will be made on this item to the Board of Trustees at a later meeting.
- (d) That the contracts for the General, Heating, Ventilating, Air Conditioning and Process Piping, Plumbing, Electric Work, Elevators and Dumbwaiters be charged to the Appropriation for the Health Center. That the contracts for kitchen equipment and patients' room furniture be charged to Rotary 12879.
- (e) That all other bids for equipment (excepting kitchen equipment and patients' room furniture) be rejected

and that this recommendation be communicated to the Director of Public Works. Subsequent purchases of equipment for the Health Center may properly be made through the University's Business Office and it is intended that such additional purchases be so made.

Upon motion of Mr. Pomerene, seconded by General Dargusch, the above recommendations were approved by unanimous vote.

The President reported the death and Mr. Harry R. Drackett, a prominent alumnus, which occurred March 5, 1948. Upon motion of General Dargusch, seconded by Mr. Power, the Board adopted the following resolution:

In the death of Harry R. Drackett, the University has lost one of its most illustrious and one of its most devoted sons.

Mr. Drackett's life exemplified at its highest and best the University's motto, "Disciplina in Civitatem." He gave himself to his community. His diversified service in civic and political affairs culminated in his chairmanship of the Charter Party in Cincinnati for eight years. His service to his business was featured by his election as national president of the Grocery Manufacturers' Association of America and chairman of an industry-wide committee during the war. By dint of application of knowledge and perseverance he built the largest soy bean processing company in the world.

His devotion to his family was crowned by the rearing of three fine sons who reflect the culture and refinement of their mother and father. His interest in his University was continuous from his undergraduate days. He was chairman of the Alumni Advisory Board for ten years; a founder and chairman of the Development Fund Board of Directors for eight years. He was a friend and benefactor of his fraternity. At his death he was serving as alumni trustee member of the University's Research Foundation. The honorary degree which the faculty and this Board so warmly bestowed upon Mr. Drackett in 1943 was but an earnest of the University-wide esteem in which he was held as a man, as an alumnus and as a citizen. We lament, with so many others, the passing of this magnificent son of the University.

By general agreement, the Board authorized the committee in charge of the Annual Recognition Dinner to arrange for such a dinner this spring on the same basis as last year. The date was fixed for Monday evening, May 10, 1948.

* * * * *

Dean Walter C. Weidler of the College of Commerce and Administration now presented a very interesting and informative verbal report on the development and program of the College.

* * * * *

The Board now recessed for luncheon at the Home Management House as guests of the senior students resident in the House.

Monday, March 8, 1948,
2:00 P. M.

The Board resumed its session with the same members present as at the morning meeting.

* * * * *

The Board now considered the following recommendation made by the Business Manager at the morning session:

That the present rotary accounts of Agronomy, Animal Husbandry, Dairy Husbandry, Farm Operations, Horticulture and Forestry and Poultry Husbandry be now consolidated into a centralized rotary account under the control of the Dean of the College of Agriculture.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above recommendation was approved by unanimous vote.

* * * * *

Upon motion of Mr. Pomerene, seconded by General Dargusch, the Board by unanimous vote rescinded its action taken at the morning session relative to the Medical Research Clinic Rotary 13431.

* * * * *

Thereupon the Board adjourned to meet Monday, April 19, 1948, at 9:30 at the University.

Attest:

(Signed) CARL E. STEEB,
Secretary.

(Signed) H. S. ATKINSON,
Chairman.

The President presented the following resolution:

Patent Right of Robert C. Arnold

WHEREAS, Robert C. Arnold has made an invention growing out of the idea that boron trifluoride can be used as a catalyst in certain chemical processes; and

WHEREAS, A question has arisen as to whether, because of his employment by the University, it has any claim to the patent right under the terms of G. C.; and

WHEREAS, The matter has been investigated by Professor Edward Mack, Albert L. Henne, and Lester L. Stout, Assistant to Director, Ohio State University Research Foundation, the result of which is that the University has no valid claim to patent rights growing out of this invention;

BE IT RESOLVED, That the proper administrative officer of the University be authorized to execute a release of any such right or claim on the request of said Robert C. Arnold.

Upon motion of General Dargusch, seconded by Mr. Power, the above resolution was adopted by unanimous vote.

The President presented the following resolution relating to the Simon Lazarus Memorial Scholarship:

Simon Lazarus Memorial Scholarship

WHEREAS, On April 5, 1948, the President of The Ohio State University received from Robert Lazarus, President of The F. & R. Lazarus & Company, a letter (hereto attached) in which, as President of The F. & R. Lazarus & Company and Director of Federated Department Stores, Incorporated, he conveyed to The Ohio State University a fund totalling \$100,000.00 to be used to establish a scholarship fund to be known as The Simon Lazarus Memorial Scholarship Fund, which letter of gift was accompanied by checks aggregating in amount \$100,000.00; and

WHEREAS, The gift was made upon the following terms and conditions:

"There is to be established at The Ohio State University as a permanent endowment in memory of Simon Lazarus a Scholarship Fund to be known as 'The Simon Lazarus Memorial Scholarship Fund.'

"The income from this fund, as it accrues, shall be used to provide scholarship awards for deserving students of Ohio State University, the number and the value of such scholarships and the recipients thereof to be determined each year by the University Scholarship Committee, or its successor in function.

"The awards shall not be based solely on scholastic standing, but there shall be taken into account qualities of leadership, scholarship, need, general all around ability and integrity, and the contribution that the recipient can make to

the life and activities of the University, and the awards shall be made without regard to race, creed, or color. Approximately one-half of such scholarships shall be awarded to students registered in the College of Commerce and Administration and the other approximate one-half to students registered in the other undergraduate and graduate schools of the University.

"The University Scholarship Committee may, in its discretion, impose as a condition of any scholarship award that the recipient will repay the money to the scholarship fund at such time as the recipient is able to do so.

"The Committee will furnish The F. & R. Lazarus & Company, or its successors, each year with a list of the recipients of these scholarships, accompanied by a short statement of the qualifications of the recipient and the reasons for the award.

"The University may accept contributions from others from time to time to The Simon Lazarus Memorial Scholarship Fund for the use and purposes of said fund."

Therefore, be it

RESOLVED, That The Ohio State University accepts this gift upon the terms and conditions expressed and agrees to administer the same in accordance therewith; and be it further

RESOLVED, That the University record its appreciation to the members of the Lazarus family, The F. & R. Lazarus & Company, and Federated Department Stores, Incorporated, for this magnificent contribution to the welfare of students at The Ohio State University; and be it further

RESOLVED, That the Board of Trustees commend the high sense of civic and social responsibility which has actuated the donors. The name of Simon Lazarus will forever be held in sacred memory.

Upon motion of General Dargusch, seconded by Mr. Thompson, the above resolution was adopted by unanimous vote of the Board.

Automatic Fire Alarm System in Olen-tangy River Road Housing	18,000	River Road Ground Rental Rotary 8240

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

The Business Manager presented the specifications, bill of materials and estimate of cost for the Exterior Painting of Derby Hall, Hamilton Hall, Starling-Loving Hospital and Clinic, Natatorium, Physical Education Building, Pomerene Hall, Horticulture and Forestry Greenhouses and University Hall. The estimated cost of this project is \$24,700 and is payable from F-1 Building Repairs. Specifications for this project were prepared by the Director of the Physical Plant, and the Business Manager stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees.

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to advertise for bids in accordance with law and the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The Business Manager presented the following statement and recommendation of the University Cabinet, relating to the fourth floor on the new Recitation Building:

Preliminary estimates made by the University Architect's Office, and tentatively confirmed by the contractors for the several divisions of the work on the Recitation Building, indicate that the temporary attic and roof over the center portion of that building can be replaced by a fourth story and a permanent attic and roof, as contemplated in the original design of the building, for less than \$65,000.00.

There are approximately 70,000 cubic feet in the additional fourth floor and permanent roof space. The facilities provided by this additional space will be fifteen additional music practice cubicles and six additional class rooms.

On the basis of these preliminary estimates, the per cubic foot cost of the additional construction would be the same as that for the construction now under contract, approximately 94 cents.

Since the additional class room space is highly desirable for general University use, and since the space could not be added as economically after the present contracts proceed

further, it is recommended that the necessary steps be taken to make the alterations and additions to the Recitation Building as indicated by new drawings Nos. 5A, 6A, 7A, 8A, S4A, and H2A, and revised drawings PE2 and H1, H2, H3, and H4, dated April 1, 1948, as prepared by the University Architect.

Upon motion of Mr. Lincoln, seconded by Mr. Power, the Board by unanimous vote authorized the Business Manager to take the necessary steps and to secure the proper approvals for the additions to the contracts for the Recitation Building to accomplish the completion of this building as described above.

The Business Manager reported that in the past certain adjustments have been made in the rates for Laboratory Deposits by the Director of the Laboratory Supply Stores, with the approval of the various Department Chairmen. Such adjustments have been made to meet the change in amounts and values of supplies and equipment furnished to the student.

Since the amount used by the student varies from time to time and is based on the estimated use, it is recommended that such deposits be adjusted in the following manner:

1. That the Director of Laboratory Supply Stores and the Chairman of the department make a study of each Laboratory Deposit prior to the beginning of each quarter.
2. That their recommendation be sent to the President for his action.
3. If approval is given, that a notice be sent to the Registrar so that the amount for the next quarter will be assessed on the proper basis.
4. That any remaining balance, after all charges have been made to the student, be refunded.
5. This procedure will also apply to deposits made by students to cover cost of field trips in connection with certain courses.

Upon motion of Mr. Power, seconded by General Dargusch, the Board by unanimous vote approved the above recommendations.

* * * * *

The Business Manager presented the following recommendations:

That the agreement entered into by the University Hospital whereby the Hospital is required to pay the excess of the cost of hospitalization of Hospital employees over the Blue Cross premiums paid by these employees be approved by the Board. The net amount so charged for 1947 is \$1,411.98 and it is recommended that the deduction of this amount from the Blue Cross remittances for January, 1948, services by the Hospital be hereby approved.

Upon motion of General Dargusch, seconded by Mr. Power, these recommendations were approved by unanimous vote.

The Business Manager presented the drawings, specifications, and other necessary documents for the construction of additional facilities for the Research Foundation Laboratories on the site adjoining

the Jet Propulsion Laboratory north of Lane Avenue, east of the River Road.

The estimate of cost is \$20,000, and the funds will be provided by the Research Foundation and will be transferred to the University.

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

President Bevis presented the following recommendation:

That the minimum salaries for the following teaching ranks, established by the Board of Trustees on July 26, 1941, be increased as follows, effective with the contract year 1948-1949:

Instructor	From \$1800 to \$2700
Assistant Professor	From \$2650 to \$3900
Associate Professor	From \$3500 to \$5100
Professor	From \$4000 to \$6000

Upon motion of General Dargusch, seconded by Mr. Power, this recommendation was approved by unanimous vote.

The President now reported to the Board the deaths of Emeritus Professor Carl L. Spohr, Professor William S. Hendrix, and Emeritus Professor Raymond J. Seymour. In accordance with the recommendation of the Board of Trustees, a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board, has been furnished to the families of the deceased.

The Board of Trustees learns with regret of the death on March 8, 1948, of Emeritus Professor Carl L. Spohr of the Department of Pathology. Dr. Spohr came to the Ohio State faculty as Professor of Bacteriology in 1914. He brought to his position a rich background of training and experience. His training included degrees from the Starling Medical College and from the Ohio Medical University, and some training in the University of Vienna. His experience included work at both the Ohio Epileptic Hospital and the Columbus State Hospital.

Dr. Spohr was distinguished in many ways, but particularly as an outstanding teacher. His students always admired and respected him and he was highly regarded by alumni all over the country. His passing will be mourned not only by these devoted alumni, but by his colleagues on the campus and his professional associates in the state.

The Board of Trustees learns with regret of the death on March 22, 1948, of Professor William S. Hendrix of the

Department of Romance Languages. Dr. Hendrix had been a member of the University faculty since 1920, and since 1926 had been Chairman of the Department of Romance Languages. During this distinguished period of service, he developed an outstanding department with particular success in the rapid development of language ability among the students.

His leadership extended beyond the campus in that he was very active in the national associations in his field, and was editor-in-chief of the *Modern Language Journal*. He was also influential throughout the country by virtue of his several textbooks and other writings in the field. His untimely death is mourned, not only by his associates on the campus, but by former students all over the world, and by members of his profession who had come to look to him for leadership.

The Board of Trustees learns with regret of the death on April 10, 1948, of Emeritus Professor Raymond J. Seymour of the Department of Physiology. Dr. Seymour had retired four years ago, after forty-two years of faithful and distinguished service to the University. He was graduated from the University in 1900 and from the Ohio Medical University in 1904. With his broad background of preparation and his fine personality he naturally became a leader among his colleagues, and a wise counselor and guide to students.

His passing will be mourned by former students, the campus community, and a host of friends.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the minutes of the Board.

Thereupon the Board adjourned to meet Monday, May 10, at 9:30 a. m., at the University.

(Signed) CARL E. STEEB,
Secretary.

THE OHIO STATE UNIVERSITY

OFFICIAL PROCEEDINGS OF THE EIGHT HUNDRED AND THIRTEENTH MEETING OF THE BOARD OF TRUSTEES

Columbus, Ohio, May 10, 1948.

The Board of Trustees met at the University at 9:0 a. m., pursuant to adjournment.

Present: H. S. Atkinson, Chairman, James F. Lincoln, Vice-Chairman, General Carlton S. Dargusch, C. F. Kettering, Donald C. Power, and Lockwood Thompson.

* * * * *

The minutes of the last meeting were approved.

* * * * *

The President recommended that Robert J. Findlay, Assistant in the Department of Botany, be granted a leave of absence, without salary, for military service for the period, December 1, 1942, to March 31, 1947, and that his resignation be accepted, effective March 31, 1947. (At the meeting of the Board of Trustees, held on December 14, 1942, Mr. Findlay's resignation was erroneously reported as effective November 30, 1942. The record should have stated that Mr. Findlay had been granted military leave.)

Upon motion of General Dargusch, seconded by Mr. Thompson, the Board by unanimous vote approved the above recommendation.

* * * * *

The President presented the following resolution:

WHEREAS, There has developed over the years a need for better coordination of the several libraries on the Campus with the Main Library; and

WHEREAS, It is desirable that such coordination be effected under the general direction of the head of Library Service;

Therefore be it

RESOLVED, That the title of Librarian be changed to Director of Libraries.

Upon motion of Mr. Lincoln, seconded by Mr. Power, the above resolution was adopted by unanimous vote.

* * * * *

The President recommended that Lewis Capers Branscomb be elected Associate Director of Libraries and Professor of Library Administration, effective July 15, 1948, at a salary of \$7000 on a twelve months' basis.

Upon motion of Mr. Lincoln, seconded by Mr. Power, the Board by unanimous vote approved this recommendation.

The Business Manager presented the following statement:

The Adjutant General's Department has requested that The Ohio State University make available to the Adjutant General's Department sufficient land at Don Scott Field for the construction of certain hangars, taxi strips, etc., for the use of the Ohio National Guard. The cost of the construction of said improvements will be paid from funds appropriated by the Congress for the support of the Ohio National Guard.

The University Architect has examined the proposal of the Adjutant General, and has presented a diagram showing where the hangars may be placed. The diagram also shows the areas which may be used for roads, parking, aprons, and taxi strips in accordance with the general pattern established by the master plan for the Airport.

The University Cabinet now recommends that the request of the Adjutant General, as outlined in his letter of March 22, 1948, and amended as to size of hangars as indicated by the diagram of April 23, 1948, be approved by the Board of Trustees.

It is further recommended that the President be authorized to enter into the necessary agreements with the Adjutant General for this purpose.

Upon motion of General Dargusch, seconded by Mr. Kettering, the above recommendations were approved by unanimous vote.

* * * * *

The President recommended that the following action taken by the Athletic Board on April 21, 1948, be approved:

That it be the opinion of the Athletic Board that for the 1948 season it should not collect nor pay to the Bureau of Internal Revenue a federal admissions tax greater than the tax due on the actual price for the second, third and fourth football tickets sold to members of the faculty or employees, and that this policy be followed by the athletic administration if the policy is approved by the President and the Board of Trustees.

Upon motion of Mr. Power, seconded by General Dargusch, the above recommendation of the President was approved by unanimous vote.

The President read to the Board the resolution adopted March 17, 1948 by the Athletic Board, asking for the decision of the President and the Board of Trustees as to the filing of a claim against the State

of Ohio for the refund of taxes collected on admissions to the Athletic contests, under a law now repealed.

In view of the manifold financial relationships between the University and the State of Ohio, and particularly the fact that the return of this money to the University would require an act of appropriation by the Legislature or the Board of Control, or both, the President recommended that no claim for refund be filed.

On motion of Mr. Power, seconded by General Dargusch, the above recommendation was approved by unanimous vote.

The Business Manager advised the Board that the City of Columbus has notified the University that it will not be permitted to tap the City sewer at the point at which the University had planned to enter the sewer in connection with the proposed Medical Center.

The architects and the Director of the Physical Plant feel that extension of the sewer from the proposed Medical Center to the new location decided upon by the City and the University is essential. Huffman-Wolfe Company which has the Plumbing, Heating and Ventilating contract is computing the cost which will be necessary to construct the additional sewer lines.

It is recommended that the University Cabinet be given authority to proceed with this addition to the contract in the approximate amount of \$25,000 and that the Business Manager be authorized to secure permission of the Board of Control for this purpose. All actions in this regard are to be reported at the next meeting of the Board of Trustees.

Upon motion of General Dargusch, seconded by Mr. Power, this recommendation was approved by unanimous vote.

*(The necessary documents for the advertisement for bids for the construction of this project will be completed by June 1, 1948.)

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

The Business Manager presented the following statement:

The City of Columbus has informed The Ohio State University that it is necessary to provide a relief measure to reduce street flooding at High Street and Thirteenth Avenue. The basic part of the measure as planned involves the construction of a 72-inch sewer to replace the existing 47-inch sewer located in Ohio State University property, approximately on the line of Thirteenth Avenue, extended westwardly, between High Street and the 93-inch main trunk sewer, a distance of about 450 feet.

It is requested that the Board of Trustees authorize the President to enter into an agreement to permit the City to have the necessary right-of-way so as to provide the necessary relief from surface water flooding in this vicinity.

The suggested agreement would involve the University in no more than a grant of a right-of-way to permit the City to construct the sewer.

Upon motion of Mr. Power, seconded by Mr. Thompson, the above request was approved by unanimous vote.

The Post Office Department Inspection Service has notified us that under date of March 22, 1948, the Fourth Assistant Postmaster General accepted the proposal to lease quarters for University Station for a further term of ten years from July 16, 1948.

In connection with the execution of this lease it is requested that the Board of Trustees adopt the following resolution authorizing the President and Business Manager to execute the lease and do all things necessary subsequent thereto.

The resolution is as follows:

Be it and it is hereby resolved that Howard L. Bevis, President of Ohio State University, is hereby authorized to execute a lease with the Post Office Department of the United States of America for a term of ten years from July 16, 1948, at a rental of \$1.00 per annum for the use of the post office at University Station, Columbus, Ohio, first floor, 33 feet 10 inches by 81 feet 3 inches providing 2642 square feet net of the two-story brick building known as the Journalism Building, located on the northeast corner of 18th Street and Neil Street in Columbus, Franklin County, Ohio, and to otherwise fully comply with the terms of our proposal dated January 23, 1948, and accepted by the Fourth Assistant Postmaster General, March 22, 1948.

It is hereby further resolved that Jacob B. Taylor, Business Manager, is authorized to countersign the lease.

It is further resolved that Jacob B. Taylor, Business Manager, is hereby authorized to receive and receipt for all rentals due under the lease and this power extends in like force to the duly elected and qualified successors of the officer named during the terms of the lease.

Upon motion of Mr. Thompson, seconded by Mr. Kettering, the Board of Trustees adopted the foregoing resolution by unanimous vote.

General Dargusch offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of the Ohio State University that there shall be called for redemption on June 15, 1948, Women's Dormitories Construction Revenue Bonds in the amount of \$13,000.00 being bonds Nos. 103 through 115 inclusive, and that the Business Manager be directed to notify in writing the State Teachers' Retirement System of this intention to redeem these bonds.

The above action is in accordance with Article Five, Section 13, of the Indenture approved November 5, 1938.

This motion was seconded by Mr. Lincoln and upon roll call was unanimously approved.

General Dargusch offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of the Ohio State University that there shall be called for redemption on June 15, 1948, Men's Dormitory Construction Revenue Bonds in the amount of \$20,000.00 being bonds Nos. 186 through 205 inclusive, and that the Business Manager be directed to notify in writing the State Teachers' Retirement System of this intention to redeem these bonds.

The above action is in accordance with Article Five, Section 13, of the Indenture approved November 5, 1938.

This motion was seconded by Mr. Lincoln and upon roll call was unanimously approved.

adoption:

General Dargusch offered the following resolution and moved its

BE IT RESOLVED by the Board of Trustees of the Ohio State University that there shall be repaid to the Treasury of the State of Ohio on June 15, 1948, a portion of the \$500,000.00 Dormitory Construction Loan (Stadium) amounting to \$17,500.00, or half of the required annual payment.

The above action is in accordance with the provisions of House Bill 477 for Dormitory Construction, passed by the Legislature July 6, 1945, and approved by Governor Lausche on July 18, 1945.

This motion was seconded by Mr. Kettering and upon roll call was unanimously approved.

The Business Manager presented the following statement:

At the April 19th meeting of the Board of Trustees, permission was granted to take the necessary steps and secure the proper approvals for the additions to the contracts for the Recitation Building to accomplish the completion of this building by constructing a fourth floor.

At that time it was stated that the Architect's preliminary estimates would indicate that this addition could be accomplished for less than \$65,000.00. The University Architect now reports that his original estimate was too low and that the actual proposal of the general contractor and the three sub-contractors involved total \$81,497.00. The University Architect states that the proposals were checked in detail and were found to be reasonable in every respect and in proper proportion to the division of costs upon which the existing contracts are based, which were obtained in the original competitive bidding.

It is recommended, therefore, that the Board of Trustees approve the expenditure of the amount of \$81,497 for this purpose rather than the \$65,000 authorized at the April 19, 1948 meeting.

Upon motion of General Dargusch, seconded by Mr. Lincoln, the Board by unanimous vote approved the above recommendation.

The Business Manager presented a detailed statement to the Board of Trustees relative to the progress of the building program now under way. The desirability of completing this program by December 31, 1948 was stressed. It was pointed out that to do so would require that assistance be given to the University Architect's office in the development of plans, specifications, etc.

The following action was recommended by the Business Manager:

That approval be granted the proper administrative officers to recommend that a contract be entered into with Bellman, Gillett and Richards, Toledo, Ohio, for architectural services for the proposed new Ohio Union at standard rates for such services. Report on this matter is to be made at the next meeting of the Board of Trustees.

Upon motion of General Dargusch, seconded by Mr. Power, this recommendation was approved by unanimous vote.

* * * * *

The Business Manager further recommended that outside architectural assistance be secured at once for the planning of the Electrical Engineering Building and the Agricultural Laboratories and that the Business Manager be authorized to recommend to the Director of Public Works that contracts for architectural services be entered into with Ohio architects for the Electrical Engineering Building and the Agricultural Laboratories at standard rates. Report on this matter is to be made at the next meeting of the Board of Trustees.

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, this recommendation was approved by unanimous vote.

The President presented the following resolution and recommended its adoption:

Pursuant to the Board's instruction, I present herewith a recommendation for the rewording of the resolution of April 22, 1946, concerning political meetings on the University campus:

BE IT RESOLVED, That it is the policy of the University to encourage free and objective discussion among students and faculty, of political, social and economic issues that directly supplement the educational program of the University, subject to the following:

- 1) It will not countenance and will not provide facilities for the fostering, inculcation or propagandizing of doctrines or programs favoring the overthrow of our government by force. This does not prohibit objective discussion of any political, social or economic doctrine. Objective discussion and propaganda should be sharply differentiated.
- 2) It does not permit the holding of meeting on the campus organized in the interests of candidates for political office whether addressed by such candidates themselves or by others in their behalf.
- 3) Political clubs or other groups may be organized and may meet on the campus provided they comply with the requirement of loyalty to the government. Bona fide members of such clubs or groups may at meetings discuss political issues or the merits of candidates, but may not under the guise of such discussion, violate the provisions of paragraph (2) hereof either by bringing outside speakers or holding what in effect are open meetings, or otherwise.

Upon motion of General Dargusch, seconded by Mr. Lincoln, the above resolution was upon roll call, adopted by the following vote:

Ayes: Atkinson, Dargusch, Kettering, Lincoln and Power

Mr. Thompson requested that his vote be recorded as favoring Paragraph (1), but not Paragraphs (2) and (3).

The President presented the following:

That upon the recommendation of the University Faculty Council, the following persons be awarded honorary degrees at the June Commencement, 1948:

Boyd H. Bode—Doctor of Laws
 Verne A. Dodd—Doctor of Laws
 William L. Evans—Doctor of Laws
 William E. Henderson—Doctor of Laws
 James R. Hoskins—Doctor of Laws
 Joseph A. Leighton—Doctor of Laws
 Charles C. Stillman—Doctor of Laws

Upon motion of General Dargusch, seconded by Mr. Kettering, this recommendation was upon roll call unanimously approved.

The President now reported to the Board the deaths of Professor Guy W. Conrey and Dean Emeritus Embury A. Hitchcock. In accordance with the recommendation of the Board of Trustees, a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board has been furnished to the families of the deceased.

The Board of Trustees learns with regret of the death of Professor Guy W. Conrey of the Department of Agronomy on April 20, 1948. Dr. Conrey came to Ohio State University as a graduate student and instructor in 1917. He secured his Ph.D. degree here in 1921 and since that time has served with distinction the University and the Agricultural Experiment Station. In addition to his experience here, he had valuable experience in Michigan and Wisconsin prior to 1917, and has been Chief of the Soil Survey Division for the U. S. Department of Agriculture. His professional standing is attested by the fact that he was in 1937 appointed a Fellow in the American Society of Agronomy and by his membership in several professional societies. He not only contributed notably to our University work, but was a leader in the field of soil conservation in the State.

His loss will be felt keenly both on the campus here and at Wooster, as well as by his professional associates nation-wide.

The Board of Trustees learns with regret of the death on April 29, 1948, of Dean Emeritus Embury A. Hitchcock of the College of Engineering. Dean Hitchcock came to the Ohio State University in 1893 and served for the succeeding twenty years in various important capacities. From 1913 to 1920 he held responsible positions with industry and returned in 1920 to the University as Dean of the College of Engineering and Director of the Experiment Station. This joint position he held until retirement in 1936. Dean Hitchcock's career was distinguished both in industry and in engineering education, but his highest devotion was to the latter. His success in education was so great that in 1926 he was awarded the degree "Human Engineer" by the students whom he had helped. He was a member of numerous professional societies in his field and was active in church and community affairs, and he will be missed both in his home community and by his many professional associates over the country.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the minutes of the Board.

Odessa Tanner, Maid, Stadium Dormitories, effective June 24 to September 15, 1948;

Ethel Whetnall, Maid, Stadium Dormitories, effective June 24 to September 15, 1948;

Ida Carson, Maid, Stadium Dormitories, effective July 1 to September 15, 1948;

Katherine Whetnall, Maid, Stadium Dormitories, effective July 1 September 15, 1948;

Sam Seibert, Janitor, Stadium Dormitories, effective July 1 September 15, 1948;

John Trent, Janitor, Stadium Dormitories, effective July 1 to September 15, 1948;

Gordon T. Tracy, Janitor, Physical Plant, effective May 6, 1948 for an indefinite period;

Henry Burger, Janitor, Physical Plant, effective June 17 through June 30, 1948.

That the leave of absence, without salary, granted at the April 19, 1948 meeting of the Board of Trustees to Joseph L. Morton, Associate Professor, Department of Radiology, be changed from April 1 through May 31, 1948 to April 17 through May 31, 1948;

That the salary of John C. Wright, Research Associate, be transferred from Rotary 11174, Division of Conservation-Stone Laboratory to Rotary 11171, Division of Conservation-Ohio Reservoir Fisheries Research, effective September 15, 1947;

That Newton C. Rochte, Assistant to the Director, Radio Education, be paid from Institute for Education by Radio Rotary 11331 from April 23 to May 31, 1948;

That, upon the recommendation of the Faculty Council at its meeting on June 8, 1948, a Department of Preventive Medicine (Public Health, Nutrition, Industrial Hygiene) be established in the College of Medicine, effective July 1, 1948;

That agreements between The Ohio State University and the State Department of Education covering the following contracts be approved:

1. Sight Saving Class Teachers—\$400, for the period June 22 to July 28, 1948
2. Partially sighted children—\$250, for the period June 22 to July 28, 1948
3. Child Study—\$637.50 for the period October 1 to December 31, 1948

That upon the recommendation of the Faculty Council at its meeting held on June 8, 1948, the following Faculty Rules be amended:

1. That the title of Rule 160 be changed from "Payment of Fees" to "Registration and Payment of Fees."
2. That Rule 161 be amended to read:
 "Time of Registration and Payment of Fees. Registration and payment of fees are required of all students by the close of the business day next preceding the first day of classes each quarter. Any student who fails to meet this requirement will be assessed a penalty of \$1.00 for each succeeding day or fraction thereof (with a maximum of \$10.00) unless excused by the Registrar, effective Autumn Quarter 1948.
3. That Rule 162 be entirely deleted.

That upon the recommendation of the Faculty Council at its meeting held on June 8, 1948 a new rule be established to read:

154. Commencing with the Summer Quarter of 1948, no professor, associate professor, assistant professor, or college or University administrative officer* will be permitted to become a candidate in this University for a degree administered by the Graduate School; but any person within these categories who, prior to the effective date of this rule, has been granted permission to work toward a degree in this University may complete all requirements for that degree.

*As listed in the official bulletin of the University.

It is further recommended that this rule be adopted with the provision that, in the administration of this University and of the various instructional departments, recognition be given to the practical necessity for employing as instructors men of high professional experience and attainment and who wish to undertake graduate work for a degree at salaries adequate to attract such persons. In such instances, the salary "scale for such instructors might well be at a figure normally offered to an assistant professor, an associate professor, or a professor, depending entirely upon the merits of the individual case. Failure to recognize this important provision must be expected to result in dissatisfaction and ultimate demand for the repeal of the rule."

That the following procedure be established for all students registering in the professional colleges during the Summer Quarters:

"Students in the professional colleges may enroll during the summer quarters for courses of a liberal arts nature without transfer from their respective professional colleges. Fees for this registration would be the same as for regular registration in the professional schools except that the non-returnable laboratory fee, professional library, laundry, and breakage fees will not be charged. Such registration will not be considered as quarters of residence in the professional colleges."

That the fee for board for girls living in the Home Management Houses (School of Home Economics) be increased from \$90.00 per quarter to \$100.00 per quarter, effective October 1, 1948.

That upon the recommendation of the Athletic Board at its meeting held on May 19, 1948, the sum of \$10,656.63 (the balance in the principal of the Harley Fund) be given to the University for invest-

ment in its regular endowment funds, in accordance with Section 4861-10 of the General Code.

This gift is to be used to establish a fund to be known as the Charles W. Harley Memorial Fund. The income from this fund is to be used exclusively for the welfare and health of Charles W. Harley as long as he may live and is to be used to defray any expenses incident to his interment at his death. After his death, any balance in the income account is to be added to the principal fund and the income thereafter is to be used to support scholarships for outstanding undergraduate male students at The Ohio State University.

The scholarship recipients are to be appointed and the amounts of the awards are to be determined by the University Scholarship Committee.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

\$10,000 from William B. Calkins for the George H. Calkins Scholarships, to be added to the George H. Calkins Scholarship Fund established May 19, 1948 by a gift of \$10,000 through the Development Fund from W. B. Calkins, GPH '98, in honor of his brother, George H. Calkins, ME in EE '95, to be invested in accordance with Section 4861-10 G.C. The income is to be used for scholarships in the field of science and the recipients are to be selected by the University Scholarship Committee.

General Dargusch submitted the following motion and moved its adoption:

That the President be authorized to discuss with the appropriate officials of the Veterans Administration, the possible location of a Veterans Hospital on the campus of the Ohio State University and to explore the terms upon which the interchange of facilities of each may be used and to report his finds and recommendations back to the Board for its consideration.

That the Board expresses its willingness to cooperate with the Veterans Administration in providing care for veterans residing in Central and South Eastern Ohio.

The above motion was seconded by Mr. Thompson, and upon roll call was unanimously approved.

General Dargusch presented the following resolution and moved its adoption:

WHEREAS, The Ohio State University is now engaged in the construction of a Medical Center which will include a 600-bed teaching hospital and an associated dental school for the purpose of providing additional and more adequate facilities for teaching and research in the fields of medicine and dentistry and to which Medical Center will be added a tuberculosis hospital of 200 beds and a receiving hospital of 100 beds if acceptable bids are received and such other appropriate facilities as may be made available from time to time including the proposed veterans hospital.

AND WHEREAS, the addition of such teaching facilities will make possible an increase in the number of persons given instruction in medicine at the Ohio State University.

NOW, THEREFORE, BE IT RESOLVED that the

President be and he is hereby authorized to take such steps as may be necessary to increase the number of students which may be presently enrolled in medicine to a number commensurate with the additional facilities for teaching which are now being provided.

The above motion was seconded by Mr. Lincoln and upon roll call was unanimously approved.

General Dargusch offered the following resolution and moved its adoption:

That there be appropriated for the fiscal year 1948-49 from the Interest on Endowment Fund the sum of \$2,000 for the use of the President for payment of expenses incurred in connection with official entertainment.

The above motion was seconded by Mr. Lincoln and was approved by unanimous vote.

The President presented to the Board the form of an application to the Surgeon General of the United States Public Health Service for a grant for a research project, in the amount of \$1,500,000 for a cancer research laboratory to be constructed at the Ohio State University. This form of application, accompanied by supporting documents, was transmitted with a letter dated June 7, 1948 by Dr. Charles A. Doan, Dean of the College of Medicine. This letter referred to minutes of the meeting of the Board of Trustees dated November 9, 1947, relating to the same project, which minutes provided that the President was authorized to explore certain proposals submitted by Dean Doan and report back to the Board of Trustees with recommendation. Dean Doan's letter and the accompanying application and papers are in pursuance of said Board resolution.

Dean Doan's letter of June 7 et al having been received in the President's office during the activities of Commencement week, the President reported that there had been insufficient time within which to study the same and make recommendation to the Board for action.

It was accordingly moved by Mr. Lincoln, seconded by General Darbusch and carried that the matter be referred to the University Cabinet for thorough study, and further—

That, if after such study, in the judgment of the University Cabinet, action on the application should become necessary prior to the next meeting of the Board of Trustees, the President and the University Cabinet be authorized to act on behalf of the University, and further—

That in any event, report be made by the University Cabinet to the Board of Trustees.

The President presented for the record the following statement regarding the University Y.M.C.A.:

On April 19, 1948 I reported to the Board of Trustees concerning certain statements in the public press about the University Y.M.C.A. In that statement I advised the Board that a committee representing the Columbus Community Chest, headed by Ralph D. Henderson, had been appointed to investigate the charges made, and that I had

appointed a separate committee, consisting of Dean Charles E. MacQuigg, Professor Francis Aumann and Vice President Bland L. Stradley, "to inquire into the organization, management and practices of the University Y.M.C.A. with particular reference to the published statements referred to, and to report their findings."

Both of the foregoing committees have completed their investigation and made their respective reports which have been published either in whole or in part in the press. Both reports are appended hereto.

Both reports are unequivocal in their findings that neither the Y.M.C.A. as such nor any of its officers are Communistic in their views, practices or policies. Each report suggests, however, that apart from any implication of Communism certain questions concerning the organization and the relation of the University Y.M.C.A. to the University and other organizations in the community might be studied.

Such study will be undertaken by the University and further report made to the Board.

The President read to the Board a letter dated May 14, 1948 from Walter G. O'Donnell, formerly an instructor at this University. The Board decided that the letter should be filed and that no further action should be taken.

* * * * *

The President presented the following revised rules covering the Four-Quarter Plan and recommended that the same be approved by the Board of Trustees:

FOUR-QUARTER PLAN

Participation

All persons of the rank of Instructor or higher, who devote a major portion of their time to teaching or research, shall be on the Four-Quarter Plan.

The Four-Quarter Plan shall not apply to Deans, Junior Deans, Directors of Bureaus, Administrative Officers and other non-teaching employees.

Quarters of Service to be Given

The policy of the University is that service shall be given for three quarters with one quarter leave.

All persons of the rank of Instructor or higher on regular annual contract shall give instruction during three quarters of the year with a minimum of twelve hours per week or its equivalent.

Quarters of service are assigned by the University and are subject to change during the year as occasion requires.

Contracts

All contracts for service shall be approved by the Board of Trustees prior to service; otherwise, no obligation against the University shall exist.

All contracts for service, either regular and/or special, shall be paid during the individual's year in accordance with the service rendered. There will be no accumulation of leave credit.

Regular Contracts

Each regular annual contract shall show the quarters in which service is to be given, the annual salary rate and the date on which the individual's year begins.

Special Contracts

Any contract for a member of the instructional staff of less than three quarters shall be considered special.

A special contract for cash compensation for extra instruction shall not be issued before the completion of three quarters of service in an individual's regular contract year.

Special contracts for extra instruction shall be at a rate *not to exceed* one-third the individual's annual salary, and shall be paid during the quarter in which service is rendered.

Payments of Salaries

Regular contracts shall be paid on a 12 months' basis. The monthly payment of salary shall begin with the date on which the appointment becomes effective.

Special contracts shall be paid during the quarter in which service is rendered.

All persons promoted from any lower rank to the rank of instructor or transferred from a special contract to a regular annual contract, shall be deemed new appointments, and the monthly payment of salary shall begin with the date on which the appointment becomes effective.

Salaries shall be figured so that an individual shall be paid the amount that he has earned. The earnings for one quarter of service shall be one-third of his annual salary; for two quarters of service, two-thirds of his annual salary; for three quarters of service, three-thirds of his annual salary.

Increase in Salaries

Increases in salary, which are provided in the Annual Budget, shall become effective at the beginning of the individual's regular contract year.

Increases in salary, which are made during the year, shall become effective at the beginning of the quarters.

Leaves of Absence

If an individual is granted a leave of absence without salary for one quarter, it means that he will be off the pay roll for four months; for two quarters, eight months; and three quarters, twelve months. In other words, leaves of absence, without salary, are figured on the pro-rata basis.

Termination of Service

A person who resigns or is discharged before completing three quarters of service in his regular contract year shall receive the pro-rata part of his annual salary for the service rendered.

In case of death before the completion of three quarters of service, the final settlement shall require the payment of all salary earned.

In case of resignation or discharge where salary has been paid in

advance of service rendered, the final settlement shall require refund to the University of all such advance payments.

Cases not provided for in these rules require approval by the Board of Trustees.

Upon motion of Mr. Lincoln, seconded by Mr. Thompson, this recommendation was approved by unanimous vote.

The Business Manager reported that in accordance with authority granted by the Board of Trustees at its meeting on May 10, 1948, the Cabinet has selected Bellman, Gillett & Richards, Architects of Toledo as associate architects working with the University Architect in connection with the design and construction of the proposed new Ohio Union Building. The cost of such professional services will be computed upon the basis of 5½% of the total cost of contracts upon which services are rendered. This fee is to be apportioned as follows:

- a. For the services rendered by Bellman, Gillett & Richards, the fee will be 3¼%.
- b. To cover cost of local full-time supervision, whether furnished by the University or by Bellman, Gillett & Richards, a reserve of ¾% will be held.
- c. The value of the services rendered by the office of the University Architect is computed at 1%.

The Director of Public Works has approved this action. Upon motion of Mr. Lincoln, seconded by Mr. Thompson, the Board by unanimous vote approved the above action of the Cabinet.

* * * * *

The Business Manager reported that, in accordance with authority granted by the Board of Trustees at its meeting on May 10, 1948, the Cabinet has selected Sims, Cornelius & Schooley, Architects of Columbus, to supplement the services of the University Architect with the design and construction of the first portion of the proposed Electrical

Engineering Building. The cost of such professional services will be computed on the basis of 6% of the total cost of contracts awarded.

This fee will be apportioned as follows:

- a. For services rendered by Sims, Cornelius & Schooley, the fee will be 5½%, including full-time supervision.
- b. If a portion of the supervision of construction is rendered by the University Architect, the 5½% fee will be adjusted to give proper credit for the value of such service.
- c. The value of the services rendered by the office of the University Architect, exclusive of any supervision of construction at the site, is computed at ½%.

The Director of Public Works has approved this action.

Upon motion of Mr. Lincoln, seconded by Mr. Thompson, the Board approved the above action of the Cabinet by unanimous vote.

The President now reported to the Board the death of Professor George A. Washburne. In accordance with the recommendation of the Board of Trustees, a copy of the resolution, expressing on behalf of the University, the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees learns with regret of the death on May 11, 1948, of Professor George A. Washburne. Dr. Washburne received his Bachelor's degree from this University in 1907. After graduate study at Columbia University and after experience in high school teaching, he returned to The Ohio State University in 1918 as Assistant Professor of European History. Except for a period of time in graduate work at Columbia University where he received his Ph.D. in 1923, he has given continuous service to the University since that date.

His ability and devotion to the Department of History resulted in rapid increase in rank and carried him to the chairmanship of the department, which position he held at the time of his death. He was a brilliant and stimulating teacher as well as a careful student of history. He was a wise counselor, not only to his students, but also to his associates and to those who desired information concerning special problems in the field. His contributions to the field are found in his national associations and in his writings. With all his profes-

sional obligations, he nevertheless found time to be of great assistance to the campus and to Columbus community, and he was a member of numerous local organizations. He will be missed by his associates, both on and off the campus, as well as by his professional associates in the state and nation.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the minutes of the Board.
